writing in English and French this book also examines unpublished material from the Dartington Hall archives and features interviews with actors who have worked with the technique including Simon Callow and Joanna Merlin It illustrates Chekhov's approach by referring to Rushe's own productions of Nikolai Gogol's short story Diary of a Madman and Shakespeare's Othello as well as characters and scenes in Sarah Kane's Blasted and the contemporary American television series Breaking Bad Michael Chekhov's Acting Technique is an accessible comprehensive and contemporary point of reference for those already trained in the method as well as an initiation and toolkit for practitioners who are just beginning to discover it
