

UPPER GRADE

memoirs

These were my favorite books to read in elementary school. I remember feeling like I was in a time machine that took me back to a simpler place and time! I loved reading about Anna and Caleb, their life on the farm, and their growing attachment to Sarah. Patricia MacLachlan's simple language and real life experiences made it easy to connect to as a reader.

In the past, I've read these books with my 4th graders. I've loved watching my students connect with the characters and seeing their excitement build with each book in the series!
