anything like that or could you tell me where I might find something similar It just so happens that I have something in that ballpark We raise chickens here on the homestead so I am always looking for the best recipes available We don't go to the big city much so getting chicken from any of the fast food chains you mentioned is rather rare On the few occasions that we've tried it everybody has really enjoyed it which is why I try to replicate it here at home There are several chicken recipes in this book many from KFC and several from Popeyes however I don't think anything from Bojangles made the list We don't have that chain up here where we live so I'll have to do some digging and try to find some from there for the next edition In the meantime try as many of these as you like and let me know which ones you like the best Bon Appetit Ann Sullivan
