Guernsey, Jeffrey Sweet, 2000-04 Gathers highlights from the season's ten best plays and information on plays produced in the United States **Play in Child Development and Psychotherapy** Sandra Walker Russ, 2003-10-03 Child psychotherapy is in a state of transition On the one hand pretend play is a major tool of therapists who work with children On the other a mounting chorus of critics claims that play therapy lacks demonstrated treatment efficacy These complaints are not invalid Clinical research has only begun Extensive studies by developmental researchers have however strongly supported the importance of play for children Much knowledge is being accumulated about the ways in which play is involved in the development of cognitive affective and personality processes that are crucial for adaptive functioning However there has been a yawning gap between research findings and useful suggestions for practitioners *Play in Child Development and Psychotherapy* represents the first effort to bridge the gap and place play therapy on a firmer empirical foundation Sandra Russ applies sophisticated contemporary understanding of the role of play in child development to the work of mental health professionals who are trying to design intervention and prevention programs that can be empirically evaluated Never losing sight of the complex problems that face child therapists she integrates clinical and developmental research and theory into a comprehensive up to date review of current approaches to conceptualizing play

and to doing both therapeutic play work with children and the assessment that necessarily precedes and accompanies it
