

**Qa. What impression does the author give about \_\_\_\_\_ (6 marks)**

- State Impression**  
What is the author telling you without explicitly saying it?

The author gives the impression that Hitler was...

The language that the author uses shows quite clearly that he believes (states **implicitly**)<sup>1</sup>. The words \_\_\_\_\_ and \_\_\_\_\_ are used which suggests, connotes, implies, portrays, conveys, emphasises...

As a result, the overall tone of this extract is **critical, humorous, sarcastic**.

The content the author has selected also contributes to the impression that (states **implicitly**)<sup>2</sup> because they discuss the events of X and Y which show Hitler to be \_\_\_\_\_. However, they also deliberately leave out information on \_\_\_\_\_ as this would undermine, contrast, contradict their overall impression/opinion.

<sup>1</sup> **Restating the impression** shows the examiner that you are focused and you have not lost your train of thought or gone off topic. It is the equivalent to linking back to the question in your PEEL paragraphs for your essay Q.

**Hitler's oratory skill was the main reason for his rise to power. How far do you agree with this statement? (16)**

**Introduction**

There were a number of reasons for Hitler's rise to power. At the time Germany existed in a climate of fear, poverty and extreme vulnerability after the harsh terms of the Treaty of Versailles and the shock on impact of the wall street crash. Hitler was able to capitalize on these conditions through a variety of methods in order to gain popular support. One of the main ways he did this was through his oratory skills but there were a number of other reasons such as \_\_\_\_\_

**Signpost**

One of the main reasons for Hitler's rise to power was indeed his oratory skills \_\_\_\_\_

Then continue with your first PEEL paragraph!

As an essay you should tell me what each paragraph is going to be about before I read it. This is called a signpost. It is important for organizing your work correctly and making your argument clear.

Look, think and write the words of the examiner.

We must discuss this factor first because it is given to use in the question (16%) we can bring in other reasons why the league failed.

**QB) Top tips for an 8 mark question:**

**Explain 2 effects of...**

**Example questions:**

- Explain two effects of Allied bombing on Germany in WWII.
- Explain two effects on Germany of the work of Stresemann.
- Explain two effects on Germany of the Treaty of Versailles.
- Explain two effects on Germany of Hitler's Enabling Act.
- Explain two effects on Germany of Nazi censorship.
- Explain two effects on Germany of Stresemann's work to reorganize reparations payments.

- The question asks for **2 effects** = **2 points and 2 links**
- You need two examples which are **different ideas**, that show the no overlap or cause and effect answer!
- There needs to be a link to the **causation** answer!
- Your mark is **split 4:4** 2 for each of the effects and 2 for the link or **cause and effect** (remember your paragraph!)
- The question asks you to **explain** = **to describe with explicit evidence** about what happened (Stresemann's Four-Point Plan). That is a description and there are why/for there awarded for description as it is a fact that historical fact.
- Always use that show that you understand the **context** of these things on Germany by explaining their consequences and impacts.
- There is where the marks are awarded! An examiner will know if you are explaining or not by whether you are using the following words or phrases in your answer: **describe, as a result of the consequences, because of this was due to the fact that, as a result of this, as a result of this, as if you are not using these, that can't be awarded any description!**
- You must include as much **specific detail** as possible to get those top marks down, names, dates, people, mentioned.

**Paragraph 1 - Hitler's oratory skills**

One key reason that prohibition had on America was that it opened the country up to increased levels of corruption and violence, which undermined the police and judicial system. In 1920's America, prohibition was poorly enforced because many of the agents wanted to join themselves, and accepted bribes in order to turn a blind eye to the sale and distribution of alcohol both across borders and within states/cities. It is estimated that out of 4000 agents, roughly 400 were corrupt. In Chicago, where Al Capone and his gang dominated most market sales of alcohol, estimates suggest as many as 70% of officers accepted bribes to facilitate the illegal trade of alcohol. **This meant that** across America there was a rise in gang related activities. **The impact of which** was not limited to the sale and distribution of alcohol but also other illegal items such as drugs and weapons. As the market expanded with the demand for alcohol, gangs increased in number and size as many turned to bootlegging as a guaranteed way to make money. **This in turn** led to an increase in gang violence as rival gangs fought for territory to conduct their illegal trade. **Consequently**, American streets became more threatening and dangerous for citizens who were sometimes caught in the crossfire. **Between 1920 and 1927** there were 130 murders in Chicago alone. **This increased danger** was compounded by a rapidly declining trust in the police force who were favouring the decline in safety rather than upholding it and prosecuting law breakers. **Thus** while the Prohibition Act was initially enforced to protect its citizens, in effect it actually endangered the country even more.
