Self-Publishing Simplified Kristen Kieffer, 2022-03-01 You're ready to publish a book on your own terms. The only problem? You have no idea where to begin. Any way you slice it, the self-publishing learning curve is steep. Despite numerous late night research sessions, you're still not sure how to hire a freelance editor or budget for pre-publication expenses. Terms like distributor, aggregator, and imprint elude you, and complicated book marketing advice has tempted you to give up your goal of self-publishing for good. If you're worried your writing dreams will remain forever out of reach, take heart. Self-publishing might be a veritable Mount Everest of creative feats, but you are capable of making the climb. With insights and actionable advice, this comprehensive reference guide will help you master the following key aspects of the self-publishing journey: Producing quality print books, e-books, and audiobooks; Crafting online listings that boost your book's visibility; Establishing an author platform that attracts your ideal readers; Implementing the five main types of book marketing. By the time you finish *Self-Publishing Simplified*, you'll not only have the vital information you need to produce, launch, and market your novel, memoir, or nonfiction book, you'll have the tools to build a lucrative and fulfilling career as an independent author.

Burke, 2012-11-28 Here's the designer's guide to creating excellent e-books with InDesign. Creative professionals are designing more and more e-books and e-zines as digital publishing increasingly gains market share. This book pulls together a wide range of essential information to help them maximize the versatility of InDesign for e-publishing. If you need to know how to build, deploy, and manage digital publications using InDesign, here's your guide to the process, from understanding the platforms and devices and how best to design for them to creating media-rich content for multiple formats using a variety of technologies. Designers are seeking to sharpen their skills to compete in today's e-publishing market, and this book is packed with necessary information about creating and adapting content for e-publication. Explains how to plan a new digital publication, convert a print publication to digital, add multimedia and interactivity, and publish and distribute the finished product. Covers platforms, devices, and formats; creating media-rich content; designing for different devices; and managing digital publications. Examines Adobe's Digital Publishing System, CSS, HTML5, and other commercial vehicles available for e-publishing on multiple platforms, including iPad, Kindle, NOOK, and other tablets and e-readers. *ePublishing with InDesign* is a valuable tool for designers seeking to boost their skills and create cutting-edge e-publications.
