the book trade to outsource ebook development to Amazon doing so has had adverse consequences for publishers in the mid and long term limiting opportunities for developing an inclusive and forward thinking digital platform While it has forced publishers to embrace digital forms the Kindle has also empowered some previously marginalized readerships Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets the printing press and offset printing the shockwaves of the Kindle continue to shape publishing [LiveCode Mobile Development: Beginner's Guide - Second Edition](#) Colin Holgate,Joel Gerdeen,2015-05-29 The ideal reader for this book would be someone who already knows LiveCode is interested in creating mobile apps and wants to save the many hours it took for me to track down all of the information on how to get started Chapter 1 LiveCode Fundamentals will help those of you who know programming but are not familiar with LiveCode The knowledge you ve acquired should be enough for you to benefit from the remainder of the book *The American Manual of Useful, Interesting, and Instructive Information* William H.
