 and Present** Michael Carroll,2023-10-18 The Earth is not the world it once was and it is not the world it will always be This
 book describes the exciting complex and occasionally baffling history of our own planet Over the course of its 4 5 billion
 years Earth has undergone astonishing changes to its surface and atmosphere at times more closely resembling other planets
 in our Solar System than the habitable teeming biosphere of today Through these otherworldly analogs author illustrator
 Michael Carroll teaches readers about different aspects of our own planet s past Our nearest cosmic neighbor Venus offers
 insights into Earth s own young atmosphere and surface while Saturn s moon Titan may offer a window into the genesis of
 life on Earth Planet Earth Past and Present explores these and many more connections Original art accompanies each
 chapter depicting major stages of the Earth s evolution and providing vivid comparisons to other planets or moons Come

 Flannery,2018-11-20 A comprehensive history of the continent full of engaging and attention catching information about
 North America s geology climate and paleontology The Washington Post Book World Here the rock star of modern science
 tells the unforgettable story of the geological and biological evolution of the North American continent from the time of the
 asteroid strike that wiped out the dinosaurs 65 million years ago to the present day Jared Diamond Pulitzer Prize winning
 author of Guns Germs and Steel Flannery describes the development of North America s deciduous forests and other flora
 and tracks the migrations of various animals to and from Europe Asia and South America showing how plant and animal
 species have either adapted or become extinct The story spans the massive changes wrought by the ice ages and the coming
 of the Native Americans It continues right up to the present covering the deforestation of the Northeast the decimation of the
 buffalo and other consequences of frontier settlement and the industrial development of the United States This is science
