Spurgeon the Pastor Geoffrey Chang, 2022-08-09 How would you get more than 5 000 people to show up at your church Almost every pastor feels the pressure to get people in the doors More people means more success more stability and more godly influence right Often in their zeal for fruit and growth pastors and church leaders adopt worldly mechanisms for church growth that end up undermining the very call God has given them Charles Spurgeon the Prince of Preachers was a pastor to well over 5 000 people in a day long before mega churches were the norm But you might be surprised to know that Spurgeon s vision for ministry was not pragmatic He did not borrow best practices from the business leaders of his day Rather his ministry vision was decidedly staunchly biblical and theological in nature and it was a ministry vision we ought to adopt more than a century later In *Spurgeon the Pastor* Geoff Chang director of the Spurgeon Library at Midwestern Seminary shows how Spurgeon models a theological vision of ministry in preaching baptism and the Lord s supper meaningful church membership biblical church leadership leadership development and more Don t get caught up in worldly methods to pursue ministry growth Follow the example of the Prince of
