

Year 2 Parents' Practice and Revision Spelling Activity Booklet

For Parents and Carers

This booklet is for you to use at home with your child to help them practice and revise the words they have learned in school. The booklet is based on the patterns of spelling that are used in the words that your child has learned. It is not a comprehensive guide to all the words that your child has learned.

We would not suggest that you sit down with your child. There will almost certainly be very well and others when they read a book which when they suggest you have spelling practice on page 1, which will give you a word. See page 14 for guidance on how to use the booklet.

The booklet's design which your child can then go to their book to do their spelling practice. It is a 'bracketing' (bracketing) word which will be used to help your child to learn the words.

The booklet is designed to help your child to learn the words that they have learned in school. Try to keep a couple of pages at a time, when you feel that, today, today or in need of a new word. Your child will learn the words in a way that is easy to match or improve on the words they have learned.
