Academic Entrepreneurship and Technological Innovation: A Business Management Perspective Szopa, Anna, Karwowski, Waldemar, Ordóñez de Pablos, Patricia, 2012-09-30 In the ever changing scientific word Academic entrepreneurship has emerged as a new and growing field Referring to the creation and management of an environment for active support of knowledge exploitation and transfer Academic entrepreneurship aims to encourage entrepreneurial behavior in the academic community Academic Entrepreneurship and Technological Innovation A Business Management Perspective provides a wide ranging overview of the

relationship between universities and organizations through the most recent and detailed research on university entrepreneurship This book aims to be a reference source for students researchers and practitioners interested in the academic industry s demand for technological innovation **Data Science for Business and Decision Making** Luiz Paulo Favero,Patricia Belfiore,2019-04-11 Data Science for Business and Decision Making covers both statistics and operations research while most competing textbooks focus on one or the other As a result the book more clearly defines the principles of business analytics for those who want to apply quantitative methods in their work Its emphasis reflects the importance of regression optimization and simulation for practitioners of business analytics Each chapter uses a didactic format that is followed by exercises and answers Freely accessible datasets enable students and professionals to work with Excel Stata Statistical Software and IBM SPSS Statistics Software Combines statistics and operations research modeling to teach the principles of business analytics Written for students who want to apply statistics optimization and multivariate modeling to gain competitive advantages in business Shows how powerful software packages such as SPSS and Stata can create graphical and numerical outputs **Dynamics of Drivers of Organizational Change** Nicole Zimmermann,2011-06-29 Often organizations have difficulties in recognizing the need to change Nicole Zimmermann investigates the barriers to but also in particular the drivers of organizational change From the case specific as well as from a generic study a structural model results that is able to explain how environmental and cognitive drivers inertia and managerial attention interact

The Avocado Daniel Carrillo,Bruce Schaffer,Anthony W. Whiley,B. Nigel Wolstenholme,2024-12-23 The avocado industry is evolving rapidly Avocado production has almost doubled recently with significant expansion in areas planted especially in Latin America but also in Africa and Asia Moreover the global demand for avocado keeps on growing The Avocado 3rd edition is a unique and comprehensive source of information for avocado researchers and covers everything from the history and distribution novel agronomic practices ecological and climatic requirements and emerging diseases and pest problems It compiles state of the art information to promote more sustainable production systems and better preparedness to face the challenges that will shape the future of avocado production This fully updated third edition includes many new international contributors especially from those regions with active and expanding avocado industries Considering the expansion in avocado consumption it also includes a new chapter on avocado uses and human nutrition This is a valuable resource for avocado researchers academicians and students of horticulture and botany advisers professional growers and practitioners in the industry **Extracting Accountability from Non-State Actors in International Law** Lee James

McConnell,2016-11-10 The human rights of communities in many resource rich weak governance States are adversely affected not only by the acts of States and their agents but also by powerful non State actors Contemporary phenomena such as globalisation privatisation and the proliferation of internal armed conflict have all contributed to the increasing public influence of these entities and the correlative decline in State power This book responds to the persistent challenges

stemming from non State actors linked to extractive industries In light of the intersecting roles of multinational enterprises and non State armed groups in this context these actors are adopted as the primary analytical vehicles The operations of these entities highlight the practical flaws of existing accountability regimes and permit an exploration of the theoretical challenges that preclude their direct legal regulation at the international level Drawing insights from discursive democracy compliance theories and the Pure Theory of Law the book establishes a conceptual foundation for the creation of binding international obligations addressing non State actors Responding to the recent calls for a binding business and human rights treaty at the UN Human Rights Council and the growing influence of armed non State actors the book makes a timely contribution to debates surrounding the direction of future developments in the field of international human rights law

International Financial Statistics Yearbook, 2012 International Monetary Fund. Statistics Dept.,2012-07-25 The IMF s principal statistical publication International Financial Statistics IFS Online is the standard source of international statistics on all aspects of international and domestic finance For most countries IFS Online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population Updated monthly [Contemporary Hispanic Cinema](#) Stephanie Dennison,2013 Includes chapters based on presentations made at a symposium entitled Transnational Film Financing in the Hispanic World held at the University of Leeds in 2009 **International Financial Statistics Yearbook, 2013** International Monetary Fund. Statistics Dept.,2013-07-25 The IMF s principal statistical publication International Financial Statistics IFS Online is the standard source of international statistics on all aspects of international and domestic finance For most countries IFS Online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population Updated monthly **International Financial Statistics Country Notes 2013** International Monetary Fund. Statistics Dept.,2013-08-13 This issue of International Financial Statistics IFS Country Notes presents in two sections brief information on the data published in IFS The first section provides a description of the compilation techniques underlying selected area and world tables The second identifies for each country the standard sources of the statistics and provides some explanatory material on each country s data including any breaks in the series Country Notes is designed to be a companion volume to each version of IFS the monthly print edition the yearbook the CD ROM and the Internet It will normally appear as an annual volume and will be shipped with the print edition of the International Financial Statistics Yearbook during August each year The aggregate Industrial Production Index for the industrial countries as a group is calculated by the Statistics Department from industrial and manufacturing production indices that are published in the country pages Private commercial banks report data based on the Gregorian calendar while state owned commercial banks report data based on the Solar calendar This results in differences in the interbank positions for other depository

corporations **International Financial Statistics Yearbook, 2011** International Monetary Fund. Statistics Dept.,2011-07-19 The IMF's principal statistical publication International Financial Statistics IFS Online is the standard source of international statistics on all aspects of international and domestic finance For most countries IFS Online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population Updated monthly

Applications of Ion Exchange Materials in Biomedical Industries Inamuddin,2019-01-30 This book presents the applications of ion exchange materials in the biomedical industries It includes topics related to the application of ion exchange chromatography in determination extraction and separation of various compounds such as amino acids morphine antibiotics nucleotides penicillin and many more This title is a highly valuable source of knowledge on ion exchange materials and their applications suitable for postgraduate students and researchers but also to industrial R D specialists in chemistry chemical and biochemical technology Additionally this book will provide an in depth knowledge of ion exchange column and operations suitable for engineers and industrialists

Biological Invasions in the South American Anthropocene
Fabián M. Jaksic,Sergio A. Castro,2021-03-31 This book provides a conceptually organized framework to understand the phenomenon of biological invasions at the Anthropocene global scale Most advances toward that aim have been provided from North American and European researchers with fewer contributions from Australia and South Africa Here we fill the void from the Neotropics focusing on the research experience in South American countries with a strong emphasis on Argentina and Chile The text is divided into two parts The first half comprises self contained chapters providing a conceptual bibliographic and empirical foundation in the field of invasion biology from an Anthropocene perspective The second half reviews the ecology biogeography and local impacts in South America of exotic species groups European rabbit Eurasian wild boar Canadian beaver North American mink and Holarctic freshwater fishes which are shown to be useful models for case studies of global relevance

Data Deduplication Approaches Tin Thein Thwel,G. R. Sinha,2020-11-25 In the age of data science the rapidly increasing amount of data is a major concern in numerous applications of computing operations and data storage Duplicated data or redundant data is a main challenge in the field of data science research Data Deduplication Approaches Concepts Strategies and Challenges shows readers the various methods that can be used to eliminate multiple copies of the same files as well as duplicated segments or chunks of data within the associated files Due to ever increasing data duplication its deduplication has become an especially useful field of research for storage environments in particular persistent data storage Data Deduplication Approaches provides readers with an overview of the concepts and background of data deduplication approaches then proceeds to demonstrate in technical detail the strategies and challenges of real time implementations of handling big data data science data backup and recovery The book also includes future research directions case studies and real world applications of data deduplication focusing on reduced storage backup recovery and

reliability Includes data deduplication methods for a wide variety of applications Includes concepts and implementation strategies that will help the reader to use the suggested methods Provides a robust set of methods that will help readers to appropriately and judiciously use the suitable methods for their applications Focuses on reduced storage backup recovery and reliability which are the most important aspects of implementing data deduplication approaches Includes case studies
