## Rearranging App Icons

You can customize the layout of app icons on the Home screen—including the icons in the Dock along the bottom of the screen. If you want, arrange them over multiple Home screens.

### Rearrange icons:

1. Touch and hold any icon until the icons jiggle.
2. Arrange the icons by dragging them.
3. Press the Home  button to save your arrangement.

You can also rearrange the icons on the Home screen, as well as the order of the screens, when you connect iPad to your computer. Select iPad in the iTunes sidebar, then click the Apps tab.

**Create additional Home screens:** While arranging icons, drag an icon to the right edge of the screen until a new screen appears. You can return to a previous screen and drag more icons to the new screen.
