December 1970 midnight In a deserted Munich suburb at a dismal bus stop a young rebel shivers under a driving sleet His long hair gathers icicles while he ponders should he burn his bridges and flee impending prison time As the bus appears out

of the swirling mist and stops he shakes off any lingering self doubt and steps in Little does he know he is embarking on an adventure far more demanding than his free spirit can imagine It is the start of a journey that will take him half way round the globe to distant India and the most remote reaches of the Himalayas Embracing the life of a spiritual mendicant he is forced into choices he never knew himself capable of as he plunges headlong into a Quest that began centuries ago and may find its conclusion in a far off uncharted future Only when he confronts the spectre of violent death will he understand that all his life experiences must be integrated into one rich all encompassing Sweep of Existence that stretches infinitely across the ages in an unstoppable ascent of perpetual evolution
