Flight Of The Rosebud Petals From The Past:

Flight of the Rosebud A.E. Hicks,2011-12-28 The creation of the characters come from a thirst to understand what would happen if a person from the past would come back to today's time. Be given all the advantages of today what kind of choices would they make given their new freedoms and money. We all make decisions based on the social constructs that we have been blessed with. Flight of the Rosebud brings to the forefront many questions about how far we have come since slavery. The book is a delightful story about a family of 3 slaves who are transported to a new life and given the benefit of having all the assets and advantages that are available to anyone today. Being physically free is only the beginning of the solution. Enjoy the direction the story takes in finding the new old lives build their way in the new America. Flight of the Rosebud is filled with excitement drama action sex love racism murder and even car chases it brings the wealthy and the poor together and gives each the other man's life to consider. The question comes to mind how would you as the reader make choices in this adventure filled drama tight story. I hope you enjoy the book it was a joy writing it and I hope you get as much joy in reading it.

Separate Lives Pankaj Bhattacharyya,2015-08-21 No Q was not a mere coincidence. Kajal felt a rapid pining for Q to see his work. He urgently needed her. He was finally ready. Q. That night when I gave her the name she had no voice or eyes or ears. She wasn't even an animal. She was just an object. A motif that defined a clan. Three individuals resolute minded. Doctor seemingly self assured relationship hopper Q and Kajal an academic failure with growing up ghosts are thrown into a tryst with circumstances and layer by layer they discover themselves more than they unravel each other. As fate leads Kajal's life to intertwine with Q's in a way that both find their spaces in the world. Doctor is forced to face brutal realities of his own inadequacies sending his life spiraling downward into darkness while still seeking the truth. Set in a palpable backdrop of northeast India and London the non linear narrative builds minor culminations while rippling to a climax that surprises and leaves a mixed after taste. Separate Lives weaves the compelling tale of three everyday individuals as their distinct pasts presents and futures collide even as chance is the simultaneous protagonist and antagonist.

Nordic Literature of Decadence Pirjo Lyytikäinen, Riikka Rossi, Viola Parente-Čapková, Mirjam Hinrikus, 2019-07-11 Nordic Literature of Decadence fills a gap on the map of world literature and participates in a thriving area of research by extending the investigation of broadly understood fin de siècle decadence to unexplored areas of Nordic literature which remain practically unknown to Anglophone audiences In the Nordic countries the new Parisian movements were seen as having caused a malicious invasion a black flood that was spreading over the North destroying the very foundations of Nordic national cultures Nevertheless the appeal of this controversial movement was irresistible to discontents and innovators even in countries where the old moral religious and nationalist atmosphere still retained its stranglehold and modern urban industrial and social developments lagged behind that of the metropolises breeding this new literature and art The Nordic

countries developed their own distinctive manifestations of decadence favouring allegorical and allusive forms local rural settings and depictions of primitive nature coupling the philosophical underpinnings of fin de siècle decadence with ancient Nordic mythology and rising national movements Nordic decadence thus became a distinctive and recognizable phenomenon which travelled back to France and other European countries influencing the ongoing debate on decadence as it was conducted on a global scale Nordic Literature of Decadence discusses literature from five Nordic countries Denmark Norway Sweden Finland and Estonia and offers additional and alternative perspectives to the cosmopolitan traffic and cultural exchanges of literary decadence that have been explored so far in the English language scholarship **Country-side**, 1920 Science gossip and Country queries and notes are incorporated with this **Harlequin Medical Romance June 2017 - Box Set 1 of 2** Annie O'Neil, Alison Roberts, Susan Carlisle, 2017-06-01 Harlequin Medical Romance brings you a collection of three new titles available now Enjoy these stories packed with pulse racing romance and heart racing medical drama This Harlequin Medical Romance box set includes HEALING THE SHEIKH S HEART Paddington Children s Hospital by Annie O Neil Dr Robyn Kelly sends billionaire sheikh Idris Al Khalil s senses into overdrive and makes him crave the happy ever after he never dreamed of A LIFE SAVING REUNION Paddington Children s Hospital by Alison Roberts Can a miracle surgery prove to cardiologist Thomas Wolfe and his ex wife Rebecca Scott that it s never too late to give love a second chance THE SURGEON S CINDERELLA by Susan Carlisle Heart surgeon Tanner Locke doesn t want love But could fiery matchmaker Whitney Thomason be his perfect match CliffsNotes on Morrison's Song of Solomon Durthy A.
