Handbook of Open Universities Around the World Sanjaya Mishra, Santosh Panda, 2025-06-27 The Handbook of Open Universities Around the World is the first collection to provide a comprehensive and critical overview of open universities internationally Over 80 open universities have been established across five continents to provide a distance orientated class inclusive and high quality education for learners left behind by existing formal systems for higher and continuing education and lifelong learning This mission has been continually reshaped by major developments in open education learning technologies and online social networking as well as by the evolution of specific concerns such as the massification of education employability financial trends artificial intelligence and development agendas on the regional national and global levels This landmark volume analyzes and reflects on the planning organization management pedagogic skilling and employability and accreditation dimensions of 47 open universities in relation to their national and institutional contexts the internationalization of education and the integration of advanced learning technologies Featuring contributions by internationally recognized scholars practitioners and educational administrators this authoritative resource provides insights into the business model finances operations instructional systems enrollment patterns learner supports quality assurance professional development and more of today s open universities Through historical trajectories institutional profiles case studies lessons learned and best practices this book provides rich analytical perspectives on the status and challenges of single mode distance learning universities as an educational phenomenon while unpacking the premise of openness itself This Handbook is primarily written for planners managers administrators instructional designers and teaching faculty at single mode distance teaching universities who are seeking to sustain their institutions in a period of rapid change government policymakers training organizations technology providers and education think tanks who are in need of authentic and research based information on technology enabled learning modeled by open universities around the world and graduate students teaching faculty and scholars who are affiliated with online and distance education learning design and technology higher education planning and management adult education and lifelong learning and education policy and future studies Chapter 54 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Watch a stimulating discussion between the book s volume editors and Sir John Daniel and Professor Stephen Murgatroyd on YouTube **Call It Like It Is** Jonathan Kaplan, 2014-06-05 The world of the international rugby referee has always been a closely guarded secret until now As a Durban schoolboy Jonathan Kaplan watched rugby at Kings Park every Saturday dreaming of the day he would represent his country Now three decades later and at the age of 47 he reflects on the career highs and lows that saw him retire as the most capped international Super Rugby and Currie Cup referee of all time But records and milestones are just a part of an intriguing memoir that affords the reader a rare glimpse into the world of international refereeing and what lies behind that

enigmatic penetrating glare that is as typical of Jonathan Kaplan as his silver grey patch of hair In *Call It Like It Is* Kaplan describes exactly what it takes to be an international rugby referee his gradual climb to the top the sacrifices he had to make in his personal life his struggle with injuries and rugby management the toll an itinerant lifestyle exacted upon him and much much more But this is not only an autobiography Kaplan also offers his opinion on the role of technology in rugby dissects his own successes and failures debates the selection and assessment of referees and yes gives his take on the 2011 Rugby World Cup and the Bryce Lawrence affair Containing all the guts and glory you d expect from an epic rugby tale this is also the frank and forthright account of a man who both in life and on the pitch would only ever call it like it is **Women Agency,**

**Culture, and Crime in Education** Phinias Tafirei, 2023-12-08 In the recent times women agency in African circles has become a contested issue with some arguing that women in African traditional societies lack agentic power including the power to make independent decision The issue has become even more contested in education where culture meets face to face with agency in all its forms In an attempt to get to the bottom of the subject in question this book examines using empirical data from the field an often hidden crime acquaintance rape which for many years has been allowed to spread its tentacles in Africa s institutions of higher education This is to say acquaintance rape has been practised unconsciously in many cultures thereby undermining the agentic power of women in these cultures The book adopts institutions of higher education in Masvingo Province heretofore referred to as Masvingo of Zimbabwe to assess factors affecting students in higher education s perceptions of acquaintance rape The population for this book consisted of students educators and other staff members in institutions of higher education in Masvingo The book reveals that culture gender peer pressure policy and legislation or law affect higher education students perceptions of acquaintance rape The book also establishes that college authorities non academic staff and students have inadequate knowledge of how to effectively manage or deal with acquaintance rape cases due to inadequate policies legislations or laws governing students behaviour in higher education A model to reduce acquaintance rape is proposed It recommends that all institutions of higher education should introduce acquaintance rape prevention and reduction programmes peer education programmes acquaintance rape reduction techniques and acquaintance in the curriculum Moto ,2003 *Look at Me* Lucie Pavlovich,2008 *Unisa English*
