Flesh Coloured Dominos:

Flesh-Coloured Dominoes Zigmunds Skujins, 2014-09-15 Extraordinary and unforgettable characters WORLD LITERATURE TODAY Rich and many layered fascinating CHRISTOPHER MOSELEY When Baroness Valtraute von Bruegen's officer husband's body is severed in two she is delighted to find that the lower half has been sewn onto the upper body of the humble local Captain Ulste She conceives a child only to see the return of her husband in one piece What happens next is both indescribably funny and darkly painful A beautifully written Surrealist novel cum political allegory *Flesh Coloured Dominoes* transports the reader between 18th century Baltic gentry and the narrator's life in the modern world The connection between the two narratives gradually becomes clear in a mesmerising fantasy of love lust and loss as Skujins creates a work of sublime art that is funny moving enlightening and philosophical in equal measure Translated from the Latvian by Kaija Straumanis

The Domino Conspiracy Joseph Heywood, 2015-03-01 Autumn 1960 Nikita Khrushchev is politically adept visionary and locked in a fight with the Politburo and a battle with Mao and the Chinese His country and his political future are in trouble because he has opened doors to the West and espoused the doctrine of peaceful coexistence Meanwhile the arms race is crushing the Soviet economy and there is unrest throughout the Communist empire Changes are imperative The army must be reduced money redirected to a consumer economy and the US neutralized But the old boars of the Red Army will not be easily displaced its leaders are intent on saving their country from Khrushchev A cabal of senior Red Army patriots are led by a man who the world thinks is Khrushchev's unswerving toady The game is treason and the tools are Albania's mad dog leaders for whom assassination is second nature What begins subtly soon turns brittle A rocket technician disappears before a major accident at the Soviet Space Center In Belgrade a psychotic CIA agent escapes an ambush vows revenge and disappears Khrushchev turns to the Special Operations Group the elite hunting team featured in the author's prequel *THE BERKUT* In Washington the Bay of Pigs invasion is in the final planning stages and its timing is tied to the missing CIA agent He must be found Two teams one from Russia and one from the United States begin a desperate hunt that leads them on an inward spiral toward each other and to a lethal showdown at the 1961 summit in Vienna There they find themselves in an uneasy alliance as they race to find the American renegade and the Albanian death team both groups pawns in a global chess game With a vast canvas of disparate characters and events *The Domino Conspiracy* is a coruscating tour de force Breathtakingly suspenseful it lays open the myths of the Soviet monolith and reveals the delicate seeds of glasnost and perestroika movements that were not to flower until three decades later Readers know how the Soviet story ended now they will see how it all began

It's a bold and insightful depiction of nineteenth-century publishing. At the time of publication Marie Corelli was an established writer who had been criticized for her style and subject matter. In *The Silver Domino or Side Whispers and Literary* she adopts an anonymous persona to present a series of observations regarding the state of the industry and its most notable figures. She paints a vivid picture of hypocrites who target some writers but elude others. She also challenges the press and her male counterparts while touting her own genius. *The Silver Domino or Side Whispers and Literary* is a brutally honest portrait of Corelli's many thoughts. It is a captivating and necessary addition to satirical literature. She offers a revealing look at the industry and its true state of affairs. With an eye-catching new cover and professionally typeset manuscript, this edition of *The Silver Domino or Side Whispers and Literary* is both modern and readable. **Magazine of Magic**, 1921 **The Silver Domino, Or, Side Whispers, Social and Literary** Marie Corelli, 1894 **Domino** Ross King, 2011-04-30 By the author of the acclaimed Brunelleschi's Dome. After meeting the mysterious and beautiful Lady Beauclair at a society ball, George Cautley, a hapless young artist adrift in the gilded world of 1770s London, paints her portrait. She in turn tells him the scandalous story of Tristano, a castrato singer in Handel's opera company fifty years before. But Cautley also meets the eminent painter Sir Endymion Starker that same evening and his mistress Eleanor, who has another tragic tale to tell one that will have George unwittingly re-enacting the fate of Tristano. *The Art of Portrait Painting* John Collier, 1910 The Metropolitan Museum of Art Guide Metropolitan Museum of Art (New York, N.Y.), Philippe De Montebello, 1994 Updated to include new acquisitions, attributions, and reevaluations. Pennell, a prolific New Art Critic, helped formulate and develop formalist methodology in Britain at the end of the nineteenth century, which she applied to her mostly anonymous or pseudonymous reviews published in numerous American and British newspapers and periodicals between 1883 and 1923. A bibliography of her art criticism is included as an appendix. In addition to advocating an advanced way in which to view art, Pennell used her platform to promote the work of new artists, including Eugène Manet and Edgar Degas, which had only recently been introduced to British audiences. In particular, Pennell championed the work of James McNeill Whistler, for whom she, along with her husband, the artist Joseph Pennell, wrote a biography. Examination of her contributions to the late Victorian art world also highlights the pivotal role of criticism in the
