Daniel Isaac Helmer

Flipside Of The Coin Israels Lebanese Incursion Between 1982 2000:

Flipside of the COIN Daniel Isaac Helmer,2010 This study addresses the Israeli view of the threat posed by various armed factions in southern Lebanon over an 18 year period This was a period during which Israeli used air strikes ground invasions and border operations to contain or defeat the military threat to its national security Contents Introduction 1 Understanding Asymmetric Warfare 2 Strategic Planning Strategic Choices 3 Disaster Strikes 4 Strategic Failure Conclusion Appendix on Statistical Methods Bibliography

Flipside of the Coin Daniel Isaac Helmer,2007 The study serves as a cautionary tale for all who might be tempted to win political fruits against weaker opponents through the application of conventional military might Using Israel s invasion of Lebanon the study explains why the modern state of Israel which had won numerous wars was unable to defeat militarily inferior foes during its involvement in Lebanon from 1978 to 2000 The author illustrates vital insight into the broader question of outcomes in wars providing strategic accounts of Israel s military involvement The Israeli case lasted twenty two years and in that time it was not able to find the formula to end the conflict once and for all its pullout in 2000 left vital strategic problems unaddressed Israel s pullout however makes the case more enticing because there is a start point and an endpoint from which to consider Israeli military involvement in Lebanon

Understanding Territorial Withdrawal Rob Geist Pinfold,2023-05-05 From Ukraine to Afghanistan and beyond occupations and exit dilemmas permeate contemporary geopolitics However the existing literature on territorial conflict rarely scrutinizes a pivotal related question what makes a state withdraw from an occupied territory or entrench itself within it In Understanding Territorial Withdrawal Rob Geist Pinfold addresses this research gap He focuses primarily on Israel a unique but important milieu that offers pertinent lessons for other states facing similar policy problems As Pinfold demonstrates occupiers choose to either perpetuate or abandon an occupation because of three factors their relations with the occupied interactions with third parties and the occupier s domestic politics He argues that each withdrawal is the culmination of a gradual process of policy re assessment Critically it is a combination of local violence and international pressure that causes popular and elite opinion within the occupier to endorse an exit rather than perpetuate the status quo To affirm this pattern Pinfold constructs a generalizable framework for understanding territorial withdrawal He then applies this framework to multiple case studies which include Israel s withdrawal from the Sinai Peninsula between 1974 1982 its unilateral withdrawal from southern Lebanon in 2000 and its unilateral disengagement from the Gaza Strip in 2005 as well as Israel s non withdrawals from the West Bank and Golan Heights Overall Understanding Territorial Withdrawal delineates commonalities that manifested in each exit yet were absent in the cases of occupation without exit A powerful analysis of a central concern for the study of international security territorial conflict and the Arab Israel conflict alike this book provides a critical intervention that identifies why occupiers either retain or leave occupied territory

Hybrid Warfare and the Gray Zone Threat Douglas C. Lovelace,2016 Terrorism Commentary on Security Documents is a series that provides

primary source documents and expert commentary on various topics relating to the worldwide effort to combat terrorism as well as efforts by the United States and other nations to protect their national security interests Volume 141 Hybrid Warfare and the Gray Zone Threat considers the mutation of the international security environment brought on by decades of unrivaled U S conventional military power The term hybrid warfare encompasses conventional warfare irregular warfare cyberwarfare insurgency criminality economic blackmail ethnic warfare lawfare and the application of low cost but effective technologies to thwart high cost technologically advanced forces This volume is divided into five sections covering different aspects of this topic each of which is introduced by expert commentary written by series editor Douglas C Lovelace Jr This volume contains thirteen useful documents exploring various facets of the shifting international security environment including a detailed report on hybrid warfare issued by the Joint Special Operations University and a White Paper on special operations forces support to political warfare prepared by the U S Army Special Operations Command as well as a GAO report and a CRS report covering similar topics Specific coverage is also given to topics such as cybersecurity and cyberwarfare the efficacy of sanctions in avoiding and deterring hybrid warfare threats and the intersection of the military and domestic U S law enforcement

Israel's Long War with Hezbollah Raphael D. Marcus, 2018-10-01 The ongoing conflict between Israel and the Lebanese militant group Hezbollah is now in its fourth decade and shows no signs of ending Raphael D Marcus examines this conflict since the formation of Hezbollah during Israel's occupation of Lebanon in the early 1980s He critically evaluates events including Israel's long counterinsurgency campaign throughout the 1990s the Israeli withdrawal in 2000 the 2006 summer war and concludes with an assessment of current tensions on the border between Israel and Lebanon related to the Syrian civil war Israel's Long War with Hezbollah is both the first complete military history of this decades long conflict and an analysis of military innovation and adaptation The book is based on unique fieldwork in Israel and Lebanon extensive research into Hebrew and Arabic primary sources and dozens of interviews Marcus conducted with Israeli defense officials high ranking military officers of the Israel Defense Forces IDF United Nations personnel a Hezbollah official and Western diplomats As an expert on organizational learning Marcus analyzes ongoing processes of strategic and operational innovation and adaptation by both the IDF and Hezbollah throughout the long guerrilla conflict His conclusions illuminate the dynamics of the ongoing conflict and illustrate the complexity of military adaptation under fire With Hezbollah playing an ongoing role in the civil war in Syria and the simmering hostilities on the Israel Lebanon border students scholars diplomats and military practitioners with an interest in Middle Eastern security issues Israeli military history and military innovation and adaptation can ill afford to neglect this book

A High Price Daniel Byman, 2011-06-15 The product of painstaking research and countless interviews A High Price offers a nuanced definitive historical account of Israel's bold but often failed efforts to fight terrorist groups Beginning with the violent border disputes that emerged after Israel's founding in 1948 Daniel Byman charts the rise of Yasir Arafat's Fatah and leftist groups such as the Popular Front for

the Liberation of Palestine organizations that ushered in the era of international terrorism epitomized by the 1972 hostage taking at the Munich Olympics Byman reveals how Israel fought these groups and others such as Hamas in the decades that follow with particular attention to the grinding and painful struggle during the second intifada Israel's debacles in Lebanon against groups like the Lebanese Hizballah are examined in depth as is the country's problematic response to Jewish terrorist groups that have struck at Arabs and Israelis seeking peace In surveying Israel's response to terror the author points to the coups of shadowy Israeli intelligence services the much emulated use of defensive measures such as sky marshals on airplanes and the role of controversial techniques such as targeted killings and the security barrier that separates Israel from Palestinian areas Equally instructive are the shortcomings that have undermined Israel's counterterrorism goals including a disregard for long term planning and a failure to recognize the long term political repercussions of counterterrorism tactics

We Were Caught Unprepared Matt M. Matthews, 2011 This is a print on demand edition of a hard to find publication The fact that the outcome of the 2006 Hezbollah Israeli War was at best a stalemate for Israel has confounded military analysts Long considered the most professional and powerful army in the Middle East with a history of impressive military victories against its enemies the Israeli Defense Forces IDF emerged from the campaign with its enemies undefeated and its prestige tarnished This historical analysis of the war includes an examination of IDF and Hezbollah doctrine prior to the war as well as an overview of the operational and tactical problems encountered by the IDF during the war The IDF ground forces were tactically unprepared and untrained to fight against a determined Hezbollah force An insightful comprehensive examination of the war Illustrations Hezbollah James Worrall, Simon Mabon, Gordon Clubb, 2015-11-10 This detailed analysis follows the rise and evolution of Hezbollah from an Islamic resistance movement to its role as a governing force in Lebanon exploring the group's impact on the security and power dynamics in the Middle East This is the first book of its kind to offer a comprehensive study of Hezbollah providing an overview of the organization's key personalities events and structures over the past three decades Inspired by the latest terrorism research and contemporary developments in the Middle East the book reflects upon Hezbollah's religious foundations and its present role as a player in Middle East relations Chapters place Hezbollah within the Middle East security environment analyzing the rise of the Party of God within the context of Iranian inspired Shi'a activism examining the ideological underpinnings of the movement and addressing its dominant political position post Arab Spring This authoritative volume introduces the party's full range of activities including resistance propaganda organized crime and educational facilities The content highlights Hezbollah's role as a social welfare provider specifically the types of aid given the source of financing for the endeavor and the challenge this role presents to the Lebanese state *Back to Basics* Scott C. Back to Basics Scott C. Farquhar, 2009-06-08 Examines the combat actions and tactics of the two most recent operations in Lebanon and the Gaza Strip An Innocent Bystander Julie Salamon, 2019-06-11 The definitive story of one American family at the center of a single shocking act of international terrorism that manages to capture the essence of the Israeli Palestinian conflict Dan Ephron On October 3 1985 Leon Klinghoffer a disabled Jewish New Yorker and his wife boarded the Achille Lauro to celebrate their 36th wedding anniversary with a Mediterranean cruise Four days later four Palestinian fedayeen hijacked the Italian luxury liner and took the passengers and crew hostage Leon Klinghoffer was shot in the head his body and wheelchair thrown overboard His murder became a flashpoint in the intractable struggle between Israelis and Arabs and gave Americans a horrifying preview of what it means when terrorism hits home In this richly reported book drawing on multiple perspectives Julie Salamon dispels the mythology that has grown around that shattering moment What transpired on the Achille Lauro left the Klinghoffer family in the grip of irredeemable sorrow while precipitating tragic reverberations for the wives and sons of Abu al Abbas the Palestinian mastermind behind the hijacking and the family of Alex Odeh a Palestinian American murdered in Los Angeles in a brutal act of retaliation Through intimate interviews with almost all living participants including one of the hijackers Julie Salamon brings alive the moment by moment saga of the hijacking and the ensuing U S led international manhunt the diplomatic wrangling between the United States Egypt Italy and Israel the long agonizing search for justice and the inside story of the controversial opera about the Klinghoffer tragedy that provoked a culture war An Innocent Bystander is a masterful work of journalism that moves between the personal and the global with the pace of a geopolitical thriller and the depth of a psychological drama Throughout lies the tension wrought by terrorism and its repercussions today **Bombing to Provoke** Jaganath Sankaran, 2024-10-24 The influence of aerospace weapons on the battlefield is felt profoundly yet the mechanism of coercion by which these weapons alter the will of the adversary is poorly understood This book argues that it is not what these weapons physically do but how they weaponize fear and trigger a sense of defenselessness that matters for understanding their coercive effect For anyone seeking to understand why states at war in the age of aerospace weapon warfare operate and react in the ways that they do this book's methodical dissection of the strategic rationale behind these weapons makes it necessary reading ISIS Brian L. Steed, 2019-10-01 This illuminating work offers readers a comprehensive overview of ISIS with more than 100 in depth articles on a variety of topics related to the notorious terrorist group and more than a dozen key primary source documents ISIS formed through a combination of a rise in violent extremist ideologies demonstrated on September 11 2001 the invasion of Iraq and the Syrian Civil War ISIS is possibly the most important conflict group and phenomena of the last half century and understanding its source and success is crucial to functioning in the world today This book provides insight into ISIS from its beginnings to the

present through coverage of its people organizations and operations The book begins with an overview of ISIS which provides context for each of the reference entries that follow The introductory material also includes entries on the causes and consequences of the conflict between ISIS and the West The book contains more than 100 reference entries on general and specific topics ranging from key leaders to major terrorist attacks and affiliated organizations It also includes a carefully curated selection of primary sources that come from a variety of sources including national level strategy documents presidential addresses and ISIS itself The book concludes with a detailed chronology and annotated bibliography Stand Up and be Counted ,2007 *Military Review* ,2007 *Professional Journal of the United States Army* ,2007 **No Heroic Battles: Lessons Of The Second Lebanon War** Lt.-Col. Brian J. Murphy,2015-11-06 On July 12 2006 Israel went to war with Hezbollah in response to the killing and capture of Israeli soldiers along the southern Lebanese border Believed at the time by many in the West to be an overreaction to a relatively minor border incident resulted in hundreds of civilian deaths in Lebanon the displacement of hundreds of thousands of civilians on both sides of the border and the deaths of dozens of Israeli soldiers and civilians More important to Israeli nation security the war exposed basic flaws in Israel s national security assumptions and defense strategy This study reveals that Israel went to war without having clearly defined its critical political diplomatic or military goals and objectives In the years immediately prior to the beginning of the war the Israeli Defense Force IDF rejected the long proven principles of war in favor of a novel incoherent and confusing doctrine The war revealed the debilitating impact of a long counterinsurgency campaign on training and traditional combined arms capabilities Finally despite the superb performance of the Israeli Air Force IAF airpower and technology proved to be inconclusive and a poor substitute for well trained resolute maneuver forces directly engaging enemy forces **Flipside of the Coin** Combat Studies Institute Press,2014-10-30 In view of the adoption of the term The Long War by the United States Joint Chiefs of Staff to describe US operations against terrorism and state sponsored terrorism CSI decided to change the title of our long running series of studies on irregular warfare from the Global War on Terrorism Occasional Papers to the Long War Occasional Papers This CSI Occasional Paper is the first in the renamed series The purpose of the series however remains unchanged That is to provide short historical monographs on topics of doctrinal and operational relevance to the US Army and military professionals for an Army at war We are therefore pleased to offer Long War OP 21 Flipside of the COIN Israel s Lebanese Incursion Between 1982 2000 by Captain Daniel Helmer Captain Helmer s study written while studying at Oxford University addresses the Israeli view of the threat posed by various armed factions in southern Lebanon over an 18 year period This was a period during which Israeli used air strikes ground invasions and border operations to contain or defeat the military threat to its national security Among the key points the author makes in this study is the inability of Israel to use military force to secure a lasting political end state in Lebanon that was favorable to its security needs despite some stunning battlefield victories Helmer also notes that both Palestinian and Hezbollah leaders recognized they could not

militarily defeat Israeli military forces despite occasional tactical success but that this was not their political objective Rather they needed only to survive and to maintain their forces in the field to achieve their long term objectives Weaker powers have often employed this strategy against their stronger opponents He also notes the steady dwindling of political and public support in Israel for the occupation of Lebanon and the role this played in Israel s decision to withdraw from Lebanon in 2000 As the recent 2006 Israeli attack into Lebanon against Hezbollah terrorists has shown however these strategic challenges and dilemmas remain unsolved In the first decade of the 21st century it is clear that these dilemmas are not unique to Israel and that the United States might draw some insights relevant to our own situation The Combat Studies Institute also plans a future study on the 2006 Israeli Hezbollah conflict We at CSI hope this Occasional Paper will contribute to the Army as it conducts operations in the Long War

The Long War Daniel Isaac Helmer,2007

Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy,2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict
