Queen with the melting heart The people in the town cheered as they gave her a flower hat after the show She felt warmer in her heart than she ever had before The country did very well when Isabella was in charge Her touch kept plants safe ensuring plentiful harvests and her yard came to life with new life Isabella kept sharing happy times with the kids which brought the kingdom closer together As the years went by Isabella chose to step down as queen because she thought her people had learned the lessons of love and change She gave her crown to the oldest child as a sign that her influence would live on The people in the town and the kids hugged her with love and thanks People all over the world were moved by Isabella s story which became a legend It showed that love and kindness could warm even the coldest hearts When Isabella was young she was a lonely and cold queen But now she had friends who loved her for the warmth in her heart In the end the story of the Ice Queen s heart melting is a timeless lesson of how love and kindness can change things It shows that everyone can be forgiven and start over and that even the coldest hearts can be warmed by the simple but deep magic of friendship and love Isabella s memory lives on in the minds of her people and as an eternal symbol of hope showing us that we have the power to change and grow in infinite ways

Story Begins Isabella used to be a great ice queen She lived in an area that was very far away People in the town mumbled in scary tones when they heard her name and just being around her made everyone shiver People all over the kingdom knew her not for being kind or generous but for being cold and having the amazing power to freeze anything with the touch of a finger People who tried to say her name got chills just thinking about it It was a tribute to her power and the fact that she ruled by herself that her castle was a beautiful building made of ice It was very different from the town below which was bright and lively and shone in the dull winter sunlight It was a place of beauty and solitude and the cold silence of her solitude could be heard down the halls It was both beautiful and lonely there Just like Isabella s heart was cold the winds that blew around her white house were also cold Over the years a thick layer of ice had formed on top of it just like the country she ruled and it had frozen over In the distant past it was a heart that could love and care for and it was full of joy Of course that kindness slowly faded as the years went by and her gifts became heavier She had become obsessed with her own skills and instead of using them to make people happy and fearful she used them to make people obey her Her idea of love kindness and compassion were foreign to her at this point Instead she was determined to keep her cold control over the country People in the realm had been afraid of the Ice Queen their whole lives Their town which used to be very busy was being destroyed by the weather The streets and fields were covered in a thick layer of snow and ice that didn t seem to be melting As the temperature dropped crops fell apart and animals huddled together in shelters to stay warm Children laughing as they played in the snow had recently become a distant memory and now the area was filled with a creepy quiet But deep inside Isabella s house which was like a cold fortress something started to move A picture of what it was like to be warm on the inside as well as the outside was all that was left It was very cold where Isabella was sitting on her throne when she heard a sweet sound outside the palace walls She was shocked to hear laughter because it

had been a long time since she had heard it You heard the sound of kids having fun Isabella became interested in what was going on so she decided to find out more As she walked to the front door of the palace and looked outside her cold breath made beautiful patterns in the air as it moved through it She was shocked to see a bunch of kids having fun in the snow At the same time they threw snowballs at each other made snow angels and built snowmen Isabella stayed far away and watched them Her heart was still stuck but it moved in a strange way She couldn't think of the last time she saw happy faces As the days turned into weeks Isabella stayed in her house and watched the kids play She loved how they could find joy in the smallest things as well as how contagious their laughing was and how nice they were to be around So long her heart had been stuck in ice All of a sudden she felt a strange warmth in her chest In the deepest of her being she had pushed those feelings down into a tiny mirror It was a feeling she had almost forgotten One night Isabella was watching the kids play outside her house window when something terrible happened At the same time a shooting star went through the sky Closed her eyes and wished for something she hadn't dared to wish for in years to feel warm inside and be able to play with the kids and be a part of their world She wanted these things as she closed her eyes and made her wish Things went really well the next morning Isabella felt something strange when she woke up Her heart felt warm and living for the first time in a long time It had been as cold as a glacier Her heart felt like it had started to thaw like the walls that had kept it safe for so long were slowly melting away She looked like she had started to melt She couldn't believe what she was hearing She shook as she stretched out and touched her chest She had never felt her beating before but now she could When Isabella found a new source of hope and felt her heart softening she chose to leave her palace and go up to the children The snow under her boots started to melt as soon as she stepped outside into the fresh air The air around her also got warmer In the beginning the kids were scared and horrified when they saw the Ice Queen But as soon as they saw her real smile their fear turned into wonder Hello kids Isabella said and her voice was no longer cold but friendly I'm sorry for being so cold earlier The kids were still amazed by the Ice Queen and gave her a warm welcome when she asked to play with them They taught her how to make snow angels castles and snowball fights when she asked May I join your games Isabella was blissfully happy almost all the time It was the first time in her life that she felt this way Isadora continued to spend all of her awake time with the kids even as the days turned into weeks She couldn't recall the last time she felt so alive It started to melt and where her frozen house used to be a beautiful garden full of flowers in bloom and green grass The people who lived in the town couldn't believe what they were seeing as things changed In the past few years the Ice Queen had gone from being scary to being a picture of happiness and satisfaction Even stranger things happened when Isabella's heart started to beat normally during the day Her freezing abilities which she used to scare people and get them to obey her changed into abilities that were kind and helpful She used her new skills to help the people of the town during the cold winter months by bringing warmth to their homes and hearts She could instantly melt the ice on frozen rivers with the touch of her palm letting the fish swim easily again She could

gently make it snow in the places that needed it the most which made sure that the farms would have plenty of crops The country did well because she was a kind leader and the people who used to fear their queen came to love and worship her Isabella got a strange call one day just as spring was coming and flowers were starting to bloom She was invited to the yearly Spring Festival put on by the kids she had become friends with So they could celebrate the start of spring and the warmer weather they wanted her to be the special guest at the party Because they were so kind Isabella felt very moved and she decided to join the party There was a party like this one she had never been to before and she was getting so excited as the big day got closer The people in the town worked hard to get ready for the party One of their jobs was to put up bright flowers and banners in the town square The kids put on a one of a kind show for the Ice Queen that they had been working on for a long time The big day had finally come and everyone in town had gathered in the square in the middle to wait for the special guest to arrive When Isabella got to the town square she was wearing a dress covered in flowers She was so thankful and loved the people who had helped her get back to a place of warmth and joy Before they sang anything else the kids sang a song about an ice queen whose heart was melting They danced beautifully and happily and the sound of their voices filled the room with a beautiful song Isabella watched with tears running down her cheeks She was happy to have found love and respect in this country that had been cold to her before The beautiful icehouse Isabella built for herself was made out of nothing but ice It was a beautiful piece of work that showed how talented she was In the direct sunlight its walls shone like smooth crystal and rainbows covered the ground everywhere they looked People who lived in the town could see how beautiful it was from miles away in the winter it sparkled like a gem Each tower and spire looked like it was reaching for the sky with their snowy tops melting into the blue sky above them The things that people saw were shocking and shocking to say the least
