Florida Medicaid Summary Of Services 2013:

Medicaid Handbook: Interface with Behavioral Health Services U.S. Department of Health and Human Services, 2019-11-23 This handbook is intended to provide the reader with a basic understanding of the Medicaid program. There is a specific emphasis on the interplay between Medicaid principles and behavioral health services. The goal is for the reader to navigate his or her state Medicaid program so that he or she can contribute meaningfully to policy conversations related to provision of behavioral health services to individuals who are eligible for Medicaid. Throughout this document the term behavioral health encompasses both mental and substance use disorders. When a mental or substance use disorder is addressed singularly the reference will be only to that disorder. Because each state's Medicaid program is different from all others and because Medicaid laws and policies are ever changing this handbook cannot contemplate every permutation of program construction.

How the South was won and the nation lost Philipp Adorf, 2016-10-10 Die Republikanische Partei dominierte zwischen den späten 1960er und 80er Jahren die Präsidentschaftswahlen in den Vereinigten Staaten. Vier der letzten sechs Wahlen sind jedoch verloren gegangen. Dieses Werk sieht die Gründe hinter dieser Krise im Versuch der Partei während und nach dem Kampf der schwarzen Minderheit für ihre Bürgerrechte in den 1960er Jahren die weißen oft evangelikalen Wähler des Südens auf ihre Seite zu bringen. In einem Land in dem der weiße Bevölkerungsanteil stetig sinkt und junge Wähler skularer denn je sind finden sich die weißen Wähler des Südens immer öfter auf der Verliererseite der in Washington D C ausgetragenen politischen Schlachten und mit ihnen auch die Republikanische Partei.
