Le Cowboy Cool:

Transnationalism and Imperialism Hervé Mayer, David Roche, 2022-04-05 While Western films can be seen as a mode of American exceptionalism they have also become a global genre Around the world Westerns exemplify colonial cinema driven by the exploration of racial and gender hierarchies and the progress and violence shaped by imperialism Transnationalism and Imperialism Endurance of the Global Western Film traces the Western from the silent era to present day as the genre has circulated the world Contributors examine the reception and production of American Westerns outside the US alongside the transnational aspects of American productions and they consider the work of minority directors who use the genre to interrogate a visual history of oppression By viewing Western films through a transnational lens and focusing on the reinterpretations appropriations and parallel developments of the genre outside the US editors Herv Mayer and David Roche contribute to a growing body of literature that debunks the pervasive correlation between the genre and American identity Perfect for media studies and political science Transnationalism and Imperialism reveals that Western films are more than cowboys they are a critical intersection where issues of power and coloniality are negotiated **Franco-America in the Making** Jonathan K. Gosnell, 2018-07-01 A study of the manifestation and persistence of hybrid Franco American literary musical culinary and media cultures in North America particularly New England and southern Louisiana **Rendezvous with Destiny** Craig Shirley, 2014-04-08 A first rate work of insider history A monumental accomplishment National Review The election that changed everything Craig Shirley s masterful account of the 1980 presidential campaign reveals how a race judged too close to call as late as Election Day became a Reagan landslide and altered the course of history To write Rendezvous with Destiny Shirley gained unprecedented access to 1980 campaign files and interviewed more than 150 insiders from Reagan s closest advisers and family members to Jimmy Carter himself His gripping account follows Reagan s unlikely path from his bitter defeat on the floor of the 1976 Republican convention through his underreported wilderness years through grueling primary fights in which he knocked out several Republican heavyweights through an often nasty general election campaign complicated by the presence of a third party candidate not to mention the looming shadow of Ted Kennedy to Reagan s astounding victory on Election Night in 1980 Shirley s years of intensive research have enabled him to relate countless untold stories including at long last the solution to one of the most enduring mysteries in politics just how Reagan s campaign got hold of Carter s debate briefing books **Dictionary of Louisiana French** Albert Valdman, Kevin James Rottet, 2010 The Dictionary of Louisiana French DLF provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present This dictionary describes the current usage of French speaking peoples in the five broad regions of South Louisiana the coastal marshes the banks of the Mississippi River the central area the north and the western prairie Data were collected during interviews from at least five persons in each of twenty four areas in these regions In addition to the data collected from fieldwork the dictionary contains material compiled

from existing lexical inventories from texts published after 1930 and from archival recordings The new authoritative resource the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry Entries include the word in the conventional French spelling the pronunciation including attested variants the part of speech classification the English equivalent and the word's use in common phrases The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled An English to Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane *L'école c'est important mais l'éducation c'est primordial !* Gérald Vignaud, 2021-10-01

As Good as Gone Larry Watson, 2017-06-13 Honest warm humane and at times shocking *As Good as Gone* is an achievement of empathy and dignity Smith Henderson author of *Fourth of July Creek* Calvin Sidey is always ready to run and it doesn't take much to set him in motion As a young man he ran from this block from Gladstone from Montana from this country From his family and the family business He ran from sadness and he ran from responsibility If the gossip was true he ran from the law It's 1963 and Calvin Sidey one of the last of the old cowboys has long ago left his family to live a life of self reliance out on the prairie He's been a mostly absentee father and grandfather until his estranged son asks him to stay with his grandchildren Ann and Will for a week while he and his wife are away So Calvin agrees to return to the small town where he once was a mythic figure to the very home he once abandoned But trouble soon comes to the door

when a boy's attentions to seventeen year old Ann become increasingly aggressive and a group of reckless kids portend danger for eleven year old Will Calvin knows only one way to solve problems the Old West way in which scores are settled and ultimatums are issued and your gun is always loaded And though he has a powerful effect on those around him from the widowed neighbor who has fallen under his spell to Ann and Will who see him as the man who brings a sudden and violent order to their lives in the changing culture of the 1960s Calvin isn't just a relic he's a wild card a danger to himself and those who love him In *As Good as Gone* Larry Watson captures our longing for the Old West and its heroes and he challenges our understanding of loyalty and justice Both tough and tender it is a stunning achievement **Skiing**, 1970-09 **Disease**

Prevention as Social Change Constance A. Nathanson, 2007-04-02 From mad cow disease and E coli tainted spinach in the food supply to anthrax scares and fears of a bird flu pandemic national health threats are a perennial fact of American life Yet not all crises receive the level of attention they seem to merit The marked contrast between the U S government's rapid response to the anthrax outbreak of 2001 and years of federal inaction on the spread of AIDS among gay men and intravenous drug users underscores the influence of politics and public attitudes in shaping the nation's response to health threats In *Disease Prevention as Social Change* sociologist Constance Nathanson argues that public health is inherently political and explores the social struggles behind public health interventions by the governments of four industrialized democracies Nathanson shows how public health policies emerge out of battles over power and ideology in which social reformers clash with powerful interests from dairy farmers to tobacco lobbyists to the Catholic Church Comparing the history of four public health dilemmas tuberculosis and infant mortality at the turn of the last century and more recently smoking and AIDS in the United States France Britain and Canada Nathanson examines the cultural and institutional factors that shaped reform movements and led each government to respond differently to the same health challenges She finds that concentrated political power is no guarantee of government intervention in the public health domain France an archetypical strong state has consistently been decades behind other industrialized countries in implementing public health measures in part because political centralization has afforded little opportunity for the development of grassroots health reform movements In contrast less government centralization in America has led to unusually active citizen based social movements that campaigned effectively to reduce infant mortality and restrict smoking Public perceptions of health risks are also shaped by politics not just science Infant mortality crusades took off in the late nineteenth century not because of any sudden rise in infant mortality rates but because of elite anxieties about the quantity and quality of working class populations *Disease Prevention as Social Change* also documents how culture and hierarchies of race class and gender have affected governmental action and inaction against particular diseases Informed by extensive historical research and contemporary fieldwork *Disease Prevention as Social Change* weaves compelling narratives of the political and social movements behind modern public health policies By comparing the vastly different outcomes of these movements in different historical and

cultural contexts this path breaking book advances our knowledge of the conditions in which social activists can succeed in battles over public health

The Alternative Detective Robert Sheckley, 2014-04-01 It's the twenty first century and the ugliness of war no longer exists except on a very personal level Nowadays people like Marcello Polletti seller of Roman sunsets and Caroline Meredith lithe beautiful blond and backed by corporate sponsors and the Roy Bell Dancers hunt chase and kill one another for sport and for the entertainment of the masses until something oddly like personal human feelings pops up to confuse the players and up the stakes as each of them seeks to kill a tenth victim and rise in the ranks of the hunters From the very beginning of his career Robert Sheckley was recognized by fans reviewers and fellow authors as a master storyteller and the wittiest satirist working in the science fiction field Open Road is proud to republish his acclaimed body of work with nearly thirty volumes of full length fiction and short story collections Rediscover or discover for the first time a master of science fiction who according to the New York Times was a precursor to Douglas Adams [Hunger for the Wild](#) Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries [Country Music Originals](#) Tony Russell, 2010-03-15 Graced by more than 200 illustrations many of them seldom seen and some never before published this sparkling volume offers vivid portraits of the men and women who created country music the artists whose lives and songs formed the rich tradition from which so many others have drawn inspiration Included here are not only such major figures as Jimmie Rodgers The Carter Family Fiddlin John Carson Charlie Poole and Gene Autry who put country music on America's cultural map but many fascinating lesser known figures as well such as Carson Robison Otto Gray Chris Bouchillon Emory Arthur and dozens more many of whose stories are told here for the first time To map some of the winding untraveled roads that connect today's music to its ancestors Tony Russell draws upon new research and rare source material such as contemporary newspaper reports and magazine articles internet genealogy sites and his own interviews with the musicians or their families The result is a lively mix of colorful tales and anecdotes priceless contemporary accounts of performances illuminating social and historical context and well grounded critical judgment The illustrations include artist photographs record labels song sheets newspaper clippings cartoons and magazine covers recreating the look and feel of the entire culture of country music Each essay includes as well a playlist of recommended and currently available recordings for each artist Finally the paperback edition now features an extensive index

State Policies and Techno-Industrial Innovation Ulrich Hilpert, 2002-01-31 Behind the rhetoric of intervention and deregulation which has accompanied state attempts to stimulate technological innovation in the last decade is secreted a story of failed ambitions confusion muddle and incoherence Techno industrial innovation does make demands on the state not only in terms of new industries but also in regard to the inter relation of industrial and R D policy and the creation of markets This book provides a comparative analysis of techno industrial

innovation in Europe Japan and the USA Drawing on case studies ranging from the semi conductor to the biotechnology industries the book presents a comprehensive and detailed survey of national strategies for the internal and world markets and sets them in their political context where the costs may be high and the pay offs uncertain **À ta santé !** Gérald Vignaud,2025-03-17 Ce qui me surprend le plus dans l humanité ce sont ces hommes qui perdent la santé pour gagner de l argent et qui après se disent cet argent pour récupérer la santé En ce début du 21^{me} siècle ces paroles du Dala Lama se reviennent plus que jamais une profonde vérité Car c est un fait en l espace de peine quelques décennies notre alimentation a plus voulu que depuis le début de l histoire de l humanité S ajoutant cela des environnements pollués du stress et des crans omniprésents qui envahissent chaque jour un peu plus nos vies la plupart des gens vivent aujourd hui une existence déséquilibrée Un quotidien fait d urgence de junkfood et d addictions toxiques en tout genre Et si tu décidais de ne plus faire partie de cette foule immense de gens qui négligent leur santé et leur bien-être Pour reprendre ta santé en mains et offrir ce qu il y a de mieux ton corps et ta vie ce livre est le guide idéal Grâce lui tu feras un point sur tes habitudes alimentaires ainsi que ce qu elles t apportent Tu identifieras tes croyances actuelles sur l alimentation et tu découvriras 26 principes essentiels pour maximiser ta santé ta nutrition et ton énergie Alors qu il se conclut par une invitation passer l action sous la forme d un challenge de 30 jours de marrer immédiatement cet ouvrage te donnera toutes les clefs pour reprendre ton alimentation et ta santé en main Et si tu prenais aujourd hui la décision de mettre enfin ta vie aux niveaux supérieurs en positionnant ta santé et ton bien-être comme l une des priorités de ta vie **American West** Karen R. Jones,2009-03-21 The American West used to be a story of gunfights glory wagon trails and linear progress Historians such as Frederick Jackson Turner and Hollywood movies such as Stagecoach 1939 and Shane 1953 cast the trans Mississippi region as a frontier of epic proportions where savagery met civilization and boys became men During the late 1980s this old way of seeing the West came under heavy fire Scholars such as Patricia Nelson Limerick and Richard White forged a fresh story of the region a new vision of the West based around the conquest of peoples and landscapes This book explores the bipolar world of Turner s Old West and Limerick s New West and reveals the values and ambiguities associated with both historical traditions Sections on Lewis and Clark the frontier and the cowboy sit alongside work on Indian genocide and women s trail diaries Images of the region as seen through the arcade Western Hollywood film and Disney theme parks confirm the West as a symbolic and contested landscape Tapping into popular fascination with the Cowboy Hollywood movies the Indian Wars and Custer s Last Stand the authors show the reader how to deconstruct the imagery and reality surrounding Western history Key Features Uses popular subjects the Cowboy Hollywood westerns the Indian Wars and Custer s Last Stand to enliven the text Includes 13 b/w illustrations Interdisciplinary approach covers film literature art and historical artefacts **Vive la Rénovation!** Trevor Morris,2007 *Re-exploring Canadian Space* Jeanette M. L. den Toonder,Bettina van Hoven,2012 A variety of productions and representations of Canadian identities are the central theme that runs through this book The different contributions explore

imagined spaces by considering Canadian music poetry and novels they engage with political space by addressing various ways in which the people of Canada have made claims to different regions in the distant and recent past and they address lived spaces and their actual and symbolic meanings It is an unusual book as it encompasses the writings by those studying the arts and literature as well as writings by social scientists and it includes both English and French speaking scholars The richness that can be found in this multitude of perspectives and approaches to exploring Canadian space is characteristic of the way in which Canadian Studies is practiced nowadays It is therefore an appropriate volume to celebrate 20 years of Canadian Studies in the Netherlands
