

Leçon Première

0- Introduction

1- À propos de ces leçons

Les leçons qui suivent sont adressées à un public francophone et ne nécessitent aucune connaissance particulière en vieux norrois ou dans d'autres langues.

Le but de ces leçons est de donner au lecteur des connaissances basiques dans la langue norroise pour lui permettre de se lancer dans son étude plus facilement avec une méthode plus avancée et plus complète. Cette méthode se concentre sur une bonne compréhension des bases grammaticales de ce langage, à travers de multiples exemples et exercices.

Nous essaierons, au cours des leçons, d'épicer un peu le tout avec des informations historiques, pour permettre aux lecteurs de comprendre non seulement la langue norroise, mais aussi la culture qui lui est associée. Nous éviterons également de vous faire étudier des phrases absurdes, préférant des phrases sonnant « vrai » ou des versions simplifiées de textes historiques.

Chaque leçon est organisée en quatre parties. La première (0-) ne contient pas vraiment le noyau de la leçon, mais peut contenir des informations utiles pour mieux comprendre la suite. La suivante (I-) contient les éléments de grammaire, puis (II-) le nouveau vocabulaire (que vous devrez mémoriser au fur et à mesure, on vous le répète depuis la primaire, mais c'est important !), et ensuite (III-), les exercices (dont les corrigés se trouvent sur une feuille à part). Enfin, une dernière partie (IV-) est consacrée à l'étude de quelques écrits historiques.

2- De l'apprentissage des langues en général

Les méthodes d'apprentissage des langues sont souvent mal comprises, surtout en France. Apprendre un langage se fait graduellement, petit à petit, parfois plus ou moins rapidement ; c'est parfois gratifiant, souvent frustrant. Ce n'est pas « tout noir » ou « tout blanc », il n'y a pas un moment où l'on peut dire que l'on « parle le vieux norrois », avant lequel on ne comprend rien et après lequel on est bilingue. C'est processus infini, dans lequel chacun peut entrer et sortir à volonté, et où chaque minute d'effort est récompensée.

C'est pourquoi en ayant fini cette méthode, vous n'aurez pas « fini » le vieux norrois, loin de là ! Mais cela ne signifie pas non plus que vous aurez perdu votre temps, du temps investi dans une langue n'est jamais du temps perdu. Vous sortirez en ayant atteint un certain point, acquis certaines connaissances dont vous pourrez profiter, même si vous n'êtes toujours pas très à l'aise.

Le plus important, c'est que ces leçons vous soient profitables et l'apprentissage amusant, bien que parfois très dur, il faut le reconnaître.

3- De l'apprentissage des langues mortes

L'apprentissage d'une langue morte, comme le vieux norrois, présente certaines différences par rapport à l'apprentissage d'une langue moderne. La principale de ces différences est que, bien

Le Livre Des Leccedilons De Vie

Christian Drosten

Le Livre Des Leccedilons De Vie:
