A Man of Few Words Carlo Greppi, 2025-01-23 Nobody knows how much I owe that man Primo Levi said of his Italian compatriot Lorenzo Perrone who saved his life at Auschwitz I could never repay him Each day for a period of six months Perrone who worked beside Auschwitz in desperate conditions risked his own life to smuggle part of his own soup ration to Levi quietly leaving the mess tin by a half constructed brick wall Without those extra five hundred calories Levi could not have survived and would probably not have written *If This Is a Man* the first published account by a Holocaust survivor In *A Man of Few Words* Carlo Greppi pieces together the life of Lorenzo Perrone a bricklayer from the Piedmontese town of Fossano not far from Levi's native Turin Near destitute and with minimal formal education Perrone left very few traces of himself Yet despite their stark differences Levi was a middle class chemist their friendship survived the Holocaust and continued until Perrone's tragic death Levi never forgot Perrone In every book he wrote he mentions that he owes his life to a man named Lorenzo and he returned persistently in the last years of his life to the man of few words who saved his life Compassionate worldly and prescient Greppi brings us a story that has much to say about the world we live in today about an individual who kept hope alive in one of the darkest times and places known to humankind A Man of Few Words - The Short Humour of Swan Morrison Swan Morrison, 2006-11 With today's busy lifestyles there can barely be time to read anything Fears have been expressed that English literature might become the preserve of a few specialist academics as texts in cuneiform script and hieroglyphic writing The answer could be Short Humour which can be read at any time and almost anywhere Far Eastern low cost pirate versions of The Oxford English Dictionary explain Short Humour as Non serious writing that is not too long Swan Morrison defined not too long as around 500 words and stories poems and the like began to be written that could be read in their entirety in less than ninety seconds *A Man of Few Words* is a collection of one hundred such examples of SH by Swan Morrison with a connecting theme of life in contemporary Britain In addition The Short Humour Site has been created at [www.shorthumour.org.uk](http://www.shorthumour.org.uk) This site aims to promote the reading and writing of SH both in Britain and throughout the world and to showcase the work of writers of the genre **A Man of Few Words** Katherine Woodbury, 2009-07-23 A lighthearted look at the critical events in Jane Austen's most famous work from the perspective of Fitzwilliam Darcy Later accounts have too often transformed Darcy into the stereotypical alpha male of Regency romances Within the pages of this novella he endeavors to correct that popular misunderstanding **The Greatest Works of French Literature (English Edition)** Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules Verne, Victor Hugo, Marcel Proust, Guy de Maupassant, Jean-Jacques Rousseau, Jean Racine, François Rabelais, Gustave Flaubert, Gaston Leroux, Pierre Corneille, Pierre Choderlos de Laclos, 2020-12-17 This unique collection of the greatest French classics books has been designed and formatted to the highest digital standards *A History of French Literature* François Rabelais *Gargantua and Pantagruel* Molière *Tartuffe* or the

Kuykendall,2010-08-17 Man of Few Words is my story It reads like a journal that chronicles my life It s a compilation of poems songs essays short stories and thoughts derived from experiences both direct and indirect fiction and nonfiction This book is my truth my autobiography words that are written on the pages of me The irony of the title is not to be lost on the reader though I m a man of few words I have so much to say I discovered a passion for poetry at the age of fourteen During this period I was going through a lot of changes in my life I had just moved with my grandma to what was a spiritually binding neighborhood and I was just beginning high school As I felt my childhood was over I quickly fell into a depression and subsequently dropped out of school I was confused and overwhelmed by emotions that I d never felt before Feeling the need to express myself I was fatefully inspired to write I began writing what I call albums of conceptual compositions collections of poems that would later become the chapters of my book While I didn t use my entire catalogue for this book I chose the compositions that I feel best represent my artistic vision These poems are listed in chronological order revealing my journey and evolution of words This book was inspired by my irrepressible need for creative expression I always thought that I d write a book somewhere down the line but that somewhere became here and that here became now It s amazing how your destiny has a way of claiming you before you realize your destiny I used to dream of being a music producer and I thought that because I dreamed it this was what I was supposed to be But my dreams were interrupted when my true calling chose me Writing became a passion of mine because it allowed me to fully and fearlessly represent myself Anything I want to be or say can be done with the boundlessness of artistic freedom I am free to be an artist as I paint images with words In many ways writing communicates a message more clearly and profoundly than spoken language When someone is reading your written word they are forced to listen and actually hear what you have to say I believe that the hardships I went through as a teenager was for this purpose to write these words that tell my story It might even seem like a gift from depression but I believe that my calling is a gift from God For this reason it is my obligation to share my gift I just might inspire someone else to write as they read my story and find the motivation to tell their own My goal through my words is to be the impetus that provides people with a deeper respect for the craft What I hope to accomplish with this book is to have people gain a more profound understanding of me I believe that I have a lot to offer through my words for those who are interested and willing to listen To many people I m a man of few words because I don t often reveal myself through my personality or my existence What I want these and other people to know is that there s more to me I m not just one dimensional I m a host of imperfections and contradictions with a multifaceted depth I encourage you
