mandated academic standards can repurpose your library's role as a steward of the Common Core State Standards CCSS at your school. This guide will help you help teachers present exciting field-tested lessons for elementary grades K through 5 addressing developmental steps and individual differences in key competencies in the CCSS. Authors and educators Mary Ratzer and Paige Jaeger illustrate how brain-based learning helps students become deep critical thinkers and provide the lesson plans to coax the best thinking out of each child. This tool book presents strategies to help learners progress from novice to expert thinker, challenge younger students with questions that lead to inquiry, incorporate rigor into lessons, and use model lesson plans to change instruction. Beginning chapters introduce the basics of instruction and provide ideas for expert cognitive growth of the brain. Sample lessons are aligned with key curriculum areas including science, social studies, music, art, and physical education.

Mapping Comprehensive Units to the ELA Common Core Standards, K-5 Kathy Tuchman Glass, 2012-04-26 A GPS for connecting standards to lessons. Translating the Common Core State Standards into an effective curriculum is at the top of many educators' to-do list, and this book shows you how. This text familiarizes teachers and curriculum designers with the key points of the ELA core standards and demonstrates how to design effective curriculum units to align with them. The author provides practical and accessible tools for developing a map and for making the important connections among all unit map components, including differentiated instruction. Also included are a rationale for each of the ELA common core standards, an overview of the key benefits, reproducible templates, and examples of unit curriculum maps.

Janesville Junior-Senior High School English Course of Study Janesville (Wis.). Janesville Junior-Senior High School. English Department, 1925 Debunking the Middle-Class Myth Eileen Gale Kugler, 2002-10-02 Many parents search for a good school to enroll their children. They look at the school's standardized test scores and check out demographic statistics but fail to investigate the strengths of these schools that have a vibrant mix of races and cultures. Eileen Gale Kugler offers a unique perspective on what every educator, parent, and community leader should know about reaping the rich harvest of our diverse schools. This book provides guidance on how we can all work together to dispel the myths and nurture the opportunities that these schools offer, such as academic challenge and social advantages. Anecdotes from Kugler's personal experience are included, as well as information from 80 interviews with key educators, parents, and students. This book stands alone as a resource that pulls all of this information together. Will be of interest to anyone who cares about education.
