

PRAYER FOR PRAYER MEETINGS

Dear Lord

We have gathered here today under your feet to pray. We want you to come and be in the midst of us.

Help us know what to pray for. Let not our minds wonder about the things of the earth as we pray. Let us focus on the spiritual gifts of heaven.

Come and grant us our hearts desires today. If someone came here with a problem we pray that they will not leave here with the same problem. Let our requests be heard and answered by you through Jesus Christ, our Lord,

Amen

Easter Earthquake James A. Harnish, 2017-10-01 Have you ever been in an earthquake Earthquakes shake our most basic assumptions that the ground will remain steady beneath our feet that the world's current existence is the way it will always be But when tectonic plates shift under the earth's surface and the ground shakes beneath our feet it rattles the bedrock assumptions on which we build our lives The Gospel of Matthew reports that on the first Easter morning an earthquake rocked the earth ripped open the tomb and scared the Roman guards at the tomb who shook with fear and became like dead

men Matthew 28 4 This is the second earthquake reported by Matthew The first one took place on Good Friday when the noonday sky turned black and Jesus died In Easter Earthquake James Harnish invites us to place the resurrection at the center of our Lenten journey This 6 week study explores how Christ s resurrection shakes some of our most basic assumptions about ourselves and God The earth shaking promise of Easter is that God has not forsaken any of us Harnish writes The risen Christ will meet us along the confused chaotic fearful paths of our lives and speak the same words the women hear at the tomb Do not be afraid This book reverses the usual focus of Lenten studies by starting at the empty tomb and seeing the entire journey in light of the resurrection Join James Harnish in this energizing exploration that will inspire you to live as a more faithful disciple of Jesus Christ FEATURES A guide for daily meditation and prayer An outline for small group meetings Begins with Ash Wednesday and continues through Easter Each week contains 5 readings a prayer focus and suggestions for small group interaction Includes a hymn each week *Conversations of the HEart* Debbi Baioa, 2024-03-25 Welcome to *Conversations of the heart* This book was written to support learning more about Jesus and to glorify his name The topics are topics that many of us encounter in our everyday lives Scripture tells us how we are to live why don t we do it The struggle is real *Conversations of the Heart* talks about it Learn about it Talk about it pray about it ask for guidance do better Repeat Each chapter will give you the opportunity to reflect on the topic Reference scriptures from the word the bible where we can see what God says about it Group discussion questions optional finish each chapter gives the opportunity to Gather together and learn together The design of this book allows the single reader to enjoy each and every chapter at their own pace While study groups as a resource for bible studies life groups retreats I have also attached a sample agenda a sample Lead sheet with questions to use as a springboard for your own group Definition of a Lead is women in the group that have stepped up and said they will navigate the conversation with our written Group Breakout questions I will tell you this book becomes interactive when involving others in the study **The Sunday-School Idea: an Exposition of the**

Christian Work, 1902 *Being Christian in the Twenty-First Century* Sam Gould, 2017-07-11 *Being Christian in the Twenty first Century* was written to help struggling and doubting Christians develop an understanding of Christianity that avoids literalism creeds and doctrines all factors which seem to be driving people away from the church The book is well

suited for individual or group study complete with a study guide and sample lesson plans It responds to the call for theological reform advocated by many contemporary clergy and religious leaders Being Christian does not restate orthodox positions or drift into fundamentalism or sentimentalism Instead it draws from a broad base of historical theological archaeological and sociological scholarship to place Scripture within its original context yet present it within a perspective suitable for the twenty first century mind Being Christian is scholarly yet readable interesting and often provocative One reviewer put it this way the book reminds me of a baseball pitcher with a long wind up and a hard fastball getting better in every inning By building upon progressive thought available today and throughout history it offers an important resource for Christians and would be Christians seeking a more fulfilling and thoughtful faith journey
