more to think about than why there isn't a number on the mailbox Lessons in Submission The Second Trilogy follows Adam over the course of his week as a submissive in the house of discipline run by the mysterious leader of the Langston Society What begins as a hesitant experiment in the world of forbidden pleasure quickly careens into something much more serious and the promises that they would not become too attached begin to erode In the heat of the moment and the moments get very hot indeed who can say what will become possible and what will remain unattainable fantasy Excerpt I turned just enough to catch how Chris's face fell and reddened at the news I he began but trailed off Up here He drew a breath and stood The legs of his chair made a scraping sound against the hardwood of the floor and he winced Here Master repeated unsympathetically pointing to a spot at the head of the table Christopher moved into place on unsteady legs and then turned back to regard us the audience of his humiliation and punishment with that flushed face He reddened very attractively I noticed with slight envy His cheeks took on a very soft glow and his eyes stayed very round as he watched Master Tell me Master said to him as he stood at attention Tell what sir he asked Why did you fail the inspection I I don't know sir I didn't know I had until you told me You know Christopher I don't really believe you He looked at the ground flustered and stammering After a few seconds he fell silent and he closed his eyes Master watched him coolly Another moment ticked by and then he opened his eyes and raised them to meet Master's Notice This title includes themes and passages that have been adapted from Jessica Whitethread's His to Train series with full consent of the original author
