Fountain, 2021-05-24 Cataloging library materials for children in the internet age has never been as challenging or as important RDA Resource Description and Access is now the descriptive standard there are new ways to find materials using classifications and subject heading access has been greatly enhanced by the keyword capabilities of today s online catalogs It s the perfect moment to present a completely overhauled edition of this acclaimed bestseller The new sixth edition guides catalogers children s librarians and LIS students in taking an effective approach towards materials intended for children and young adults Informed by recent studies of how children search this handbook s top to bottom revisions address areas such as how RDA applies to a variety of children s materials with examples provided authority control bibliographic description subject access and linked data electronic resources and other non book materials and cataloging for non English speaking and preliterate children

*Cataloging Correctly for Kids* Sheila S. Intner, Joanna F. Fountain, Jean Weihs, 2011 This text is based on guidelines issued by the ALCTS It is a one stop handbook for librarians who organize information for children *The Dewey Decimal System* Nathan Larson, 2018-08-01 This tale of a book loving tough guy in a decimated Manhattan is like *Motherless Brooklyn* dosed with *Charlie Huston* *Delirious* and haunting *Megan Abbott* author of *Give Me Your Hand* After a flu pandemic a large scale terrorist attack and the total collapse of Wall Street New York City is reduced to a shadow of its former self As the city struggles to dig itself out of the wreckage a nameless obsessive compulsive veteran with a spotty memory a love for literature and a strong if complex moral code that doesn t preclude acts of extreme violence has taken up residence at the main branch of the New York Public Library on Forty second Street Dubbed Dewey Decimal for his desire to reorganize the library s stock he gets by as bagman and muscle for New York City s unscrupulous district attorney He takes no pleasure in this kind of civic dirty work He d be perfectly content alone amongst his books But this is not in the cards as the DA calls on Dewey for a seemingly straightforward union busting job What unfolds throws Dewey into a mess of danger shifting allegiances and old vendettas forcing him to face the darkness of his own past and the question of his buried identity *The Dewey Decimal System* is proof positive that the private detective will remain a serious and seriously enjoyable literary archetype PopMatters

**Make Your Kids Smarter** Erika V. Shearin Karres, 2001 *Make Your Kids Smarter* is chock full of drills tips and exercises to enhance children s learning The skill builders encompass areas ranging from general school smarts to library use computer literacy to study skills writing and verbal skills to strategic thinking Devoted parents will use this book to give their kids the advantage that will make all the difference Dr Karres both a parent and an educator understands the busy and often stressful lifestyles of today s parents Parent pointers FYI explanations and guided minilessons are all included to make the parents job a little bit easier and a little less time consuming Parents will be able to thumb through this manual isolate the exercises that will benefit their child the most and get right to it Ready read action It s that simple This is a must have

manual for all parents who believe their children deserve the very best      *Parent-Child Interaction Therapy* Cheryl Bodiford McNeil, Toni L. Hembree-Kigin, 2010-03-10 Over the past two decades Parent Child Interaction Therapy PCIT emerged as a leading edge method for helping parents improve their children's disruptive and oppositional behavior Today PCIT has a robust evidence base is used across the country in settings as diverse as hospitals mental health centers schools and mobile clinics and is rapidly gaining popularity in other parts of the world In keeping with this increasing recognition of PCIT's effectiveness the authors of Parent Child Interaction Therapy present this expanded clinical edition to keep readers up to date on new practice developments current treatment protocols and the latest research findings This update retains the fundamentals as detailed by PCIT's founder Dr Sheila Eyberg including an overview of the therapy detailed description of the course of treatment and handout materials The text goes further to explore the evolution of PCIT outside the original target ages of three to six including preventive PCIT for very young children at risk and examines the use of PCIT with special child populations such as abuse victims and those with ADHD Contributing experts discuss uses of the therapy in school at home with minorities and with highly stressed families But regardless of the population setting or topic covered interventions remain faithful to basic PCIT principles and methods New features of the expanded second edition include Adaptations of PCIT for babies toddlers preteens and siblings Applications for abuse survivors children with developmental disabilities ADHD and severe aggression problems Uses of PCIT with separating or divorced parents Culturally relevant PCIT for ethnic minority and international families Teacher child staff child and home based applications PCIT training guidelines A brand new chapter summarizing current research supporting PCIT As PCIT broadens its scope Parent Child Interaction Therapy Second Edition brings innovative ideas and proven techniques to clinical child psychologists school psychologists and other mental health providers working to enhance the lives of children and their families      *Making ALL Kids Smarter* John DeLandtsheer, 2011 This book helps teachers plan a challenging program for students particularly gifted students within a regular education classroom It addresses brain compatible learning which makes it appropriate for a much wider group of students than just the very brightest Approaches and strategies are explained in a unique and personal style and include the following use of interdisciplinary themes analytical thinking exercises teaching moral dilemmas Socratic questioning techniques increasing depth and complexity through interactive games activities to promote creative thinking using graphic organizers and teaching research skills and methods The author demonstrates how all these strategies and approaches work together to help teachers create a more meaningful learning experience for all students An added benefit of the author's training as reflected in this book is to help put the creativity and search for knowledge back into the learning process

Children & Libraries Virginia A. Walter, 2001 A call to action for libraries serving children Honouring the accomplishments of children's services pioneers of the past Virginia Walter evaluates the current situation and envisions futures where children technology and libraries intersect      The Big Book of Dyslexia Activities for Kids and Teens Gavin
