**The Big Conspiracy** Folasade Odutola, 2013-05-20 Aviation safety is of global concern This book is about one

person's experience as a non hypocritical safety regulator in a challenging environment The author has found her amazing career experience interesting to share The hazards of playing politics and being hypocritical with safety regulation are clearly reflected in this book From the human angle it shows the ugly face of office politics and power play and their detrimental effects on those at the receiving end The rather slow pace of progress in the aviation regulatory entity since the author's ordeal and her subsequent forceful retirement is a lesson in why responsible authorities shouldn't be cutting their noses to spite their faces
