The Hongse Spider George H. Stollwerck, 2006-02-08 The year is 2005 The worlds worst modern catastrophe is visiting itself on China Avian Flu H5N1 is estimated by the Center for Disease Control CDC to kill up to 150 million people worldwide The deadly virus has only to complete its leap from fowl to human cross contamination China has already killed millions of domestic chickens ducks and geese But the slaughter was a double edged sword They have killed the poultry earmarked to keep Chinas citizens from starvation during the 2005 2006 winter which has been forecasted to one of the most ferocious in five decades China also is convinced that the United States new ballistic missile defense program is targeted at neutralizing her minuscule nuclear deterrent relegating her to lifetime servitude to the Americans the worlds last remaining superpower Beijing party leaders vow that will never happen The Peoples Republic of China must become a modern superpower Only then will she be able to demand the outright monetary grants she needs to survive Modernization of her army will cost 100 billion US dollars Beijing knows that sum resides in the coffers of Hong Kong Thus Operation Hongse Spider is born

The Choices I've Made J.L. Berg, 2017-10-01 High school sweethearts reunite in this heartfelt second chance romance Twelve years ago he drove away with my heart in his hands I ve moved on since then Or so I thought Growing up in a small town there weren t many options when it came to friends But even in a sea of a million I d always choose Jake Jameson He made me feel safe safe with my secrets dreams and eventually my heart I believed we would have forever together That was a long time ago I thought I d forgotten those piercing blue eyes and the sound of his laugh I tried to obliterate the memory of his touch from my mind Yet one single glance as he stands at my door twelve years later and I m instantly transported back to a simpler time when love was effortless and my heart was whole The problem I m marrying his best friend

Homo Electrus Rabih S. Ballout, 2012-09 About the Book *Homo Electrus* is a fantastic prediction of the next human generation These two words describing the evolution of modern man and how it all began will be remembered for all posterity An epic scientific discovery allows artificial knowledge and memory to be integrated into the human brain Additional new findings create a worldwide race for supremacy pitting nations and individuals against each other in a quest for economic cultural and military dominance The world will change forever in a bid to outsmart and outmaneuver fellow man What starts as one scientist s noble search for a cure for neurological and muscular diseases ends up being used in unintended ways and with wicked intentions The added knowledge and resources afforded by this discovery become a dangerous weapon in the hands of select individuals who make arrogance and self righteousness commonplace as they launch grand designs to settle old grievances while trying to control the resources of our planet Unfortunately the added knowledge does not come with added wisdom wisdom will have to wait A few however do benefit

from the discoveries Among them are wise individuals who begin to see the past clearly and objectively They find flaws in classical and individual histories that were passed down for generations and by teaching others about the future shine a desperately needed ray of hope on humanity

Needle Work Fred Rosen,2015-07-01 A Michigan couple s affair leads to two grisly murders by heroin injection in this true crime account from the acclaimed author of Lobster Boy When Carol Giles s friend Nancy Billiter was found dead she had been bound sexually violated and injected with a lethal dose of battery acid and heroin detectives in Michigan traced Billiter s death back to Giles and her boyfriend Tim Collier Police also learned that the diabolical duo shared another secret They had murdered Giles s husband Jessie Jessie who had died months before Billiter was disinterred and an autopsy proved he d been given a lethal shot of heroin instead of his prescribed insulin Homebound and diabetic Jessie was a heroin dealer Police determined that Giles who was fed up with taking care of her husband and children along with her lover Collier had stolen the fatal dose from Jessie s own drug supply The cops surmised that Billiter s death might have been due to her knowledge of the couple s plot In their dramatic trial Giles and Collier turned against each other but both were eventually convicted of murder

World Betrayed Robert Ludolph,2020-08-26 World Betrayed is the sequel and continuing story of World Aflame The mysterious and to date undefeated fires continue to burn around the world threatening all life on the planet Scientists politicians philosophers clergy and talking heads all have their theories but none of them has a solution to end this terrifying phenomenon Communication travel and energy experienced in the 21st century has been sent back to 19th century standards and methods The mystery of Rick Landis disappearance continues unsolved After being shot by an unknown assailant the Sun Times reporter disappeared without a trace But his comrades in arms Captain Carl Dyan Sydney Marston and Marty What s his name have vowed to never give up until they find the answer dead or alive For Sydney it is more urgent because Rick is the love of her life Next there are the rumors of a Shadow Government planning to take down the nations of the world The promise to their na ve followers is power wealth position and a Utopian World But there is a dark side to these Brave New World leaders They are brutal power driven despots traitorously using the trusting masses to achieve their own personal goals Murder treachery betrayal and war continue in the book s final chapters leading to an inspiring finish

Ghost Island K. Patteson,2020-10-09

Evelyn and her family have had a hellish year so they plan to seclude themselves on an island in northwest Washington for a few months. However, they soon realize the island is not as quiet and peaceful as they had hoped. Strange dreams and scary events lead Evelyn to research the island's history. With the help of her new friend Meg and the local Sheriff, she discovers the island has a gruesome history and more than enough reason to be haunted. While the colorful residents of the island's past may make for a good book, Evelyn and her family aren't sure they want to vacation in the same house a serial killer once called home. The question of what happened to his wife keeps Evelyn hooked while they wrestle with the idea that ghosts really do exist. But the spirits are restless and new victims haven't arrived on the island for a long time. It isn't long before Evelyn and her family are forced to fight for their lives. How do you protect yourself from someone who is already dead? With everything you have.

Gastrophysics Charles Spence (Experimental psychologist), 2017. The answer is gastrophysics, the new area of sensory science pioneered by Oxford professor Charles Spence. Now he's stepping out of his lab to lift the lid on the entire eating experience: how the taste, the aroma, and our overall enjoyment of food are influenced by all of our senses as well as by our mood and expectations.
