therapies from one of the simplest to one of the most complex The intention of the book has remained the same to cover and update banking of current practices in essential tissue and cell banking It is therefore hoped that by keeping the book as concise and up to date as possible it will find a place on the shelves of many tissue establishments Books in Print Supplement ,1994 **Forthcoming Books** Rose Arny,1998-06 **The American Biology Teacher** ,1993 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), *El-Hi Textbooks & Serials in Print, 2000* ,2000 **Medical Books and Serials in Print, 1979** R.
