

Edith Wharton

Edith Wharton (born Edith Newbold Jones, January 24, 1862 – August 15, 1937) was an American writer and designer. Wharton drew upon her insider's knowledge of the upper-class New York "aristocracy" to portray realistically the lives and morals of the Gilded Age. In 1907, she became the first woman to win the Pulitzer Prize in Fiction, for her novel *The Age of Innocence*. She was inducted into the National Academy of Arts in 1930. Among her other well-known works are *The House of Mirth*, the novella *Ethan Frome*, and several notable ghost stories.

Despite not publishing her first novel until she was forty, Wharton became an extraordinarily productive writer. In addition to her 15 novels, seven novellas, and eighty-five short stories, she published poetry, books on design, travel, travel and lecture notes, and a memoir.

Many of Wharton's novels are characterized by subtle irony, and she is often credited with being the first to use the term "nouveau riche" to describe the wealthy class in America.

Wharton's novels, such as *The House of Mirth* and *Ethan Frome*, are often considered to be the most realistic and powerful depictions of the lives of the upper class in America. Her novels are often characterized by their detailed descriptions of the lives of the characters, and by their exploration of the themes of class, power, and morality. Wharton's novels are often considered to be the most realistic and powerful depictions of the lives of the upper class in America.

Industrial Revolution and the Arts
The Industrial Revolution was a period of rapid change in the world. It was a time when the world was being transformed by the power of the machine. The Industrial Revolution was a time when the world was being transformed by the power of the machine. The Industrial Revolution was a time when the world was being transformed by the power of the machine.

Wharton's novels, such as *The House of Mirth* and *Ethan Frome*, are often considered to be the most realistic and powerful depictions of the lives of the upper class in America. Her novels are often characterized by their detailed descriptions of the lives of the characters, and by their exploration of the themes of class, power, and morality. Wharton's novels are often considered to be the most realistic and powerful depictions of the lives of the upper class in America.
