

Proper Document citation

- A document may be cited in one of three ways:
 - 1. Identification by title, written into the body of the essay: . . . *in Daniel Webster's reply to Jackson's Veto Message, Daniel Webster betrays his High Federalist convictions.*
 - 2. Identification through description: . . . *Webster's reply to Jackson reveals the Senator's High Federalist convictions.*
 - 3. Identification through description with a supporting tag: . . . *Webster's reply to Jackson reveals the Senator's High Federalist convictions [Doc C].*
 - When a document is used multiple times in the same essay, the citing may be relaxed in subsequent uses: e.g. *Webster's reply also shows . .*
 - Remember only use the documents to support an argument based on outside information, never paraphrase or quote from the document.
