What is Market Manipulation? Andri Fannar Bergþórsson,2018-08-13 The Market Abuse Regulation MAR entered into force in 2016 within the European Union which introduced a fully harmonized ban on market manipulation Even though the regulation is quite detailed the terms used to define market manipulation are relatively vague and open ended In What Is market manipulation Dr Andri Fannar Berg rsson offers unique insight to and an interpretation of the concept of market manipulation which includes an analysis of case law from the Nordic countries The aim of the book is to clarify the concept as described in MAR and to provide readers some guidelines to distinguish between lawful behaviour and market manipulation the unlawful behaviour Berg rsson convincingly argues that misinformation is an essential element of all forms of market manipulation

Decision-Making in Private Equity Firms Mark Broere,2013-10-04 The decisions of private equity firms

affect the development of industries and national economies yet little is known about how these decisions are made Mark Broere uses proprietary survey data from 136 private equity firms venture capital and buyout located in the US Canada and Europe to explore determinants and rules of their decision making The results exhibit new facts about their objectives success measures decision criteria exit decision power and rules A discussion in light of existing financial theory highlights e g the role of reputation and potential pitfalls in the decision making of practitioners The author suggests that private equity firms might improve their performance by a more careful choice of decision rules and criteria and by a more consistent application of these across varying decision types
