**In Theaters Everywhere** Brian Hannan,2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found

**The Mysterious Romance of Murder** David Lehman,2022-05-15 From Sherlock Holmes to Sam Spade Nick and Nora Charles to Nero Wolfe and Archie Goodwin Harry Lime to Gilda Madeleine Elster and other femmes fatales crime and crime solving in fiction and film captivate us Why do we keep returning to Agatha Christie s ingenious puzzles and Raymond Chandler s hard boiled murder mysteries What do spy thrillers teach us and what

accounts for the renewed popularity of morally ambiguous noirs In *The Mysterious Romance of Murder* the poet and critic David Lehman explores a wide variety of outstanding books and movies some famous *The Maltese Falcon* *Double Indemnity* some known mainly to aficionados with style wit and passion Lehman revisits the smoke filled jazz clubs from the classic noir films of the 1940s the iconic set pieces that defined Hitchcock's America the interwar intrigue of Eric Ambler's best fictions and the intensity of attraction between Humphrey Bogart and Lauren Bacall Robert Mitchum and Jane Greer Cary Grant and Ingrid Bergman He also considers the evocative elements of noir cigarettes cocktails wisecracks and jazz standards and offers five original noir poems including a pantoum inspired by the 1944 film *Laura* and ironic astrological profiles of Barbara Stanwyck Marlene Dietrich and Graham Greene Written by a connoisseur with an uncanny feel for the language and mood of mystery espionage and noir *The Mysterious Romance of Murder* will delight fans of the genre and newcomers alike

**Military Comedy Films** Hal Erickson, 2012-08-02 Beginning with Charlie Chaplin's *Shoulder Arms* released in America near the end of World War I the military comedy film has been one of Hollywood's most durable genres This generously illustrated history examines over 225 Army Navy and Marine related comedies produced between 1918 and 2009 including the abundance of laughspinners released during World War II in the wake of Abbott and Costello's phenomenally successful *Buck Privates* 1941 and the many lighthearted service films of the immediate postwar era among them *Mister Roberts* 1955 and *No Time for Sergeants* 1958 Also included are discussions of such subgenres as silent films *The General* military academy farces *Brother Rat* women in uniform *Private Benjamin* misfits making good *Stripes* anti war comedies *MASH* and fact based films *The Men Who Stare at Goats* A closing filmography is included in this richly detailed volume **The Mind**

**of a Conservative Woman** Senator Marsha Blackburn, 2020-09-01 Reject our society's liberal bias against conservative women and learn how traditional principles will secure a better future for us all with this inspiring guide from a political powerhouse *The Mind of a Conservative Woman* challenges women to improve their place in life and open doors for themselves and the next generation through the courage of their convictions Senator Blackburn expounds upon why beliefs labeled as traditional have common ground and can improve all of society such as Protecting the next generation the family and the freedom of faith and values Supporting a free market that rewards women who apply their talents and rise to great heights Respecting the institutions in our nation to make change from the inside Securing an effective government that will not overreach and Honoring and respecting those who hold differing opinions Though it is politically liberal women who receive the attention of left leaning media and universities it is conservatism that guarantees what most women hold dear Blackburn addresses the frustrations of working women and the false perceptions of women presented by the media in general Her maxim *Leave Things in Better Shape Than You Found Them* will challenge you to improve your place in life and create opportunities you never dreamed possible for yourself and those around you *American Noir* Barry

Forshaw, 2017-04-27 The word Noir is used here in its loosest sense every major living American writer is considered

including the giants Harlan Coben Patricia Cornwell James Lee Burke James Ellroy and Sara Paretsky as well as non crime writers such as Stephen King who stray into the genre often through a concentration on one or two key books Many exciting new talents are highlighted and Barry Forshaw s knowledge of and personal acquaintance with many of the writers grants valuable insights into this massively popular field But the crime genre is as much about films and TV as it is about books and this book is a celebration of the former as well as the latter American television crime drama in particular is enjoying a new golden age and all of the important current series are covered here as well as key important recent films     **Dark Page Two**

Kevin Johnson,2009 Following up on his well received bibliography of first edition sources for American film noir of the 1940s Kevin Johnson s new bibliography *The Dark Page II* explores the second half of the classic American period covering the years 1950 1965 Ground rules for noir style were by this time firmly established in Hollywood and new techniques and themes had emerged including location shooting and documentary style storytelling the incorporation of social issues into storylines the final years of the Production Code s stranglehold on film content and the influence of the style on Westerns melodramas and even science fiction Importantly too this era would see many of Hollywood s finest writers and directors blacklisted jailed or exiled as a result of McCarthy and the House Un American Activities hearings The literary sources that informed this era evolved as well with Hollywood taking a greater interest in the surprisingly literate novels that were being published as paid by the word paperback originals as well as hardcover titles being released by obscure and often short lived publishers The influence of the film industry on the book industry was felt in turn with stories being snatched up as film options as soon as they first appeared in magazines and newspapers sometimes resulting in a book publication that would never have occurred otherwise *The Dark Page II* is an essential volume in a continuing series of references that are projected to cover American screwball comedies European film noir and American crime films and dramas of the late 1960s and 1970s Full color photos of each first edition are featured as well as bibliographical points for each book and a bounty of factual information surrounding both the origins of the books and their subsequent film adaptations
