become a byword for high performing products technology design and invention Now James Dyson the inventor and
entrepreneur who made it all happen tells his remarkable and inspirational story in *Invention A Life* one of the year s most
relevant and revelatory business books The Wall Street Journal Famously over a four year period James Dyson made 5 127
prototypes of the cyclonic vacuum cleaner that would transform the way houses are cleaned around the world In devoting all
his resources to iteratively setbacks came hard fought success His products including vacuum cleaners hair dryer and hair
stylers and fans and purifiers are not only revolutionary technologies but design classics This was a legacy of his time
studying at the Royal College of Art in the 1960s when he was inspired by some of the most famous artists designers and
inventors of the era as well as his engineering heroes such as Frank Whittle and Alex Issigonis In *Invention A Life* Dyson
reveals how he came to set up his own company and led it to become one of the most inventive technology companies in the
world It is a compelling and dramatic tale with many obstacles overcome Dyson has always looked to the future even setting
up his own university to help provide the next generation of engineers and designers For as he says everything changes all
the time so experience is of little use Whether you are someone who has an idea for a better product an aspiring
