TAKE THE REAL ONE...**

Online Practice Exams

Operating Engineers Local 3 Joint Apprenticeship Committee requires assessment testing of all apprenticeship candidates. You must pass minimum standards deemed by the Department of Labor as necessary for success in a given occupation. Once you have applied for entrance into an Operating Engineers Apprenticeship program, you will be notified for assessment testing. These tests are administered on a computer, and if you fail you will be given another opportunity to test. However, if you pass you will not be given another opportunity to increase your score. Candidates with the highest scores are admitted into the program first. So if you're serious about a career with the Operating Engineers, make your testing opportunity count! Study and Practice!
