[The Essential Digital Interview Handbook](#) Paul Bailo, 2025-09-12. In today's increasingly interconnected world, virtual meetings have become a staple of business practice. Unsurprisingly so has the digital interview. Physical distance between potential employers and job seekers is no longer the impediment it once was for face-to-face engagement. In the past year alone, the number of people who use Skype for this purpose has risen from about 300 million to more than 405 million, with a whopping 66 percent increase in users who log in from their mobile devices. Moreover, 35 percent of all businesses in the United States use Skype as their primary means of communication. These numbers point to one simple fact: you need *The Essential Digital Interview Handbook*. This book, the first of its kind, will cover everything you need to know, including: How to prepare for your digital interview. How to avoid common pitfalls and mistakes. How to establish a professional presence by using the correct microphone and camera. How and when to take the next step and transition from virtual to in-person. Your next job will likely be waiting for you on the other end of a video conference. These tips will also help you appear more professional for media interviews and presenting online. Let *The Essential Digital Interview Handbook* walk you through the steps to success.
