

MATHCOUNTS

2003

Chapter Competition

Sprint Round

Problems 1–100

Name _____

School _____

DO NOT BEGIN UNTIL YOU ARE INSTRUCTED TO DO SO.

The contest is a competition among all participants. You will have 45 minutes to complete all 100 problems. You are encouraged, but not required, to work as fast as you can during this event. Calculators are not permitted on this event. All answers must be complete, legible and unambiguous. Please write your answers in the blanks in the right-hand column of the competition booklet. If you complete the problems before time is called, use the remaining time to check your answers.

At the conclusion of the competition, the signed and sealed envelopes are collected by the judge at the site. The judge then affixes the contest seal to the envelope and returns the envelope to the judge. The judge will then return the sealed envelope to the judge. The judge will then return the sealed envelope to the judge.
