Forexprofitpro System Manual:

FOREX Perfection In Manual, Automated And Predictive Trading Mostafa Afshari,2018-08-31 From the very beginning and during writing this book one question was always in my mind how much this book will benefit the reader Finally I organized the book in three parts Manual Automated and Predictive Trading to make sure at least one method solves the problem of Forex trading for the reader In Manual Trading I have explained the best manual trading strategies and the most probable entry and exit signals Automated Trading is the next part in which you will learn to develop your own trading ideas and strategies using a super easy smart advanced free and all in one software in no time and make your trading 100% automated Forex income on autopilot is not a dream anymore In Predictive Trading as it appears from the topic you will learn top methods of next day price prediction Just imagine how much difference will it make if you know prices of tomorrow in advance This book is aimed to all retail traders beginner or experienced institutional traders automated and algorithmic trading developers Forex and financial markets researchers and all people who want to learn about some new possibilities in Forex trading

The Omicron Forex Trading Manual Seamus A. McKenna,MR Seamus a McKenna Mba,2012-10-01 The Omicron Forex Trading Manual is a literate and focused explanation for non specialists of Forex strategies for automated algorithmic trading using the Dukascopy JForex Java API and associated software routines developed by Omicron Forex The manual is also a guide to the essential general requirements of Forex trading which all traders must master These include the ability to think in probabilities to maintain discipline which the automated strategies are designed to assist with and master the psychology of Forex Trading The manual improves the Forex trading learning process It shows how discipline can be maintained It also explains how the software does back testing and it demonstrates why algorithms are important You need automation in your Forex trading to Significantly improve the Forex trading learning process Carry out research and do back testing Help you impose discipline and appreciate the need for it Allow for risk reduction through diversification in currency pairs which would be onerous and error prone if attempted manually Take over certain repetitive functions that are more appropriate for computers to handle You do not want to use automation in your Forex trading to Set and forget and leave to run unsupervised on a live account This way lies potential disaster The Omicron Forex Trading Manual contains an introduction to the automated strategies and does not include the software routines themselves
