Exams, Tests, Revision Pocketbook Mike Gershon, 2016-03-16 Teaching exam classes carries a weight of responsibility for all teachers. They know that offering their students the best possible education is not about the narrow diet of teaching to the test; they also know that good test scores and excellent exam results are fundamental. So how do teachers equip their pupils for exam success while at the same time ensuring high standards of teaching and learning? The Exams Tests Revision Pocketbook looks at how to do just that. Rooted firmly in experience and research, this is a practical how-to Pocketbook aimed at classroom teachers. It provides strategies, activities and techniques for successfully teaching examination classes. Whether those are related to using time efficiently, cognitive psychology and motivation theory, unpicking great exam technique or exploring the best use of past papers, mark schemes and examiners' reports, they are always accessible and can be readily imported for immediate classroom application. The Pocketbook is highly illustrated. Cartoons, diagrams and visual prompts support the text and cement the ideas. *The Independent Schools Guide 2004-2005* Gabbittas Educational Consultants, 2004. British education is recognized worldwide for its excellent academic standards and tradition of welcoming overseas students. This annual publication is the ideal reference for families relocating to the UK or who would like their child to attend a boarding school there. It provides the detailed information parents need to make a fully informed choice, including extensive indices for over 2,000 schools, classified by county, religious affiliation, sex provision for dyslexia, plus details of specialist schools, school fee planning, plus details of scholarships, bursaries and other awards, GCSEs, A Levels, Scottish examinations, GNVQs and the International Baccalaureate. Guidance. The guide also includes a parent's guide to the sixth form and beyond, including university entry and careers, detailed profiles of over 200 schools and colleges and useful addresses and associations.
