- Pushing the "RECALL/DST" button will decrease the time by 1 hour and the "+1hr" icon will disappear.

Power Back-Up

In the event of a power failure, the timer will retain its settings.

This device complies with part 25 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Troubleshooting

Problem	Solution
Light or appliance does not turn ON.	Make sure light/appliance power switch is in ON position. Make sure timer is in AUTO mode. If timer is in OFF mode the program is not running.
Light turns ON/OFF at day instead of night.	Check to make sure AM/PM time and program settings are correct.
Timer is resetting time or program.	Timer is being used on a motor or transformer load. It is not recommended for this use.
