Geek-Art: An Anthology Thomas Olivri, 2014-11-04 Every age has its artistic inspiration Medieval artists exalted spiritual subjects Modernists shifted their attention to humanity and the senses For a generation of artists and fans today our heroic subjects are Mario Pikachu Spider Man Darth Vader Frodo and a legion of other iconic figures from the geek culture realms of movies cartoons video games and comics For the first time Geek Art collects the work of nearly 100 international illustrators graphic designers photographers and artists whose inspired interpretations of these beloved characters celebrate them with creative brilliance and a true fan's passion Featuring more than 750 images this lavish illustrated anthology showcases the inspired energy that drives pop culture and makes geeky fans of us all *Pop Culture Now!*, 2016-10-11 Where art meets pop culture More than 400 pages containing the work of over one hundred international artists inspired by videogames comic books toys movies and 80's cartoons Every year this Geek Art anthology compiles the best of the geek art scene into just over 400 pages Following on the huge success of the first Geek Art book simultaneously published by Chronicle Books in the United States and Huginn Muninn in France in 2015 we are pleased to present the second volume With a combined print run of over 50 000 copies for the first edition these books will continue to be a source of inspiration and joy for fans and graphic designers worldwide *Geek Heroines* Karen M. Walsh, 2019-10-11 Geek Heroines not only tells the stories of fictional and real women but also explores how they represent changes in societal views of women including women of color and the LGBTQ community Geek culture stems from science and technology and so is frequently associated with science fiction In the beginnings of science fiction the genre was tied to magic and dystopic outcomes however as technology turned geek into chic geek culture extended to include comics video games board games movie books and television Geek culture now revolves around fictional characters about whom people are passionate Geek Heroines seeks to encourage women and young girls in pursuing their passions by providing them with female role models in the form of diverse heroines within geek culture Carefully curated to incorporate LGBTQ identities as well as racial diversity the book defines geek culture explains geek culture's sometimes problematic nature and provides detailed fiction and nonfiction biographies that highlight women in this area Entries include writers and directors as well as characters from comic books science fiction speculative fiction television movies and video games Total Geek-Art Thomas Olivri, 2020-10-06 Geek art is the new pop art Characters from comics movies TV shows and video games are a part of the collective imagination forever so it's only natural that artists would begin integrating them into their work giving birth to a new artistic movement GEEK ART In Total Geek Art the work of 80 painters illustrators and sculptors is collected to offer an international panorama of the geek art genre of artistic expression It presents profiles of geek art's greatest founders as well as insights on the latest trends such as the return of enamel pins the development of toy photography and the recognition of video game art Featuring stunning artwork and exclusive interviews and essays this deluxe collection is a must have for every pop culture enthusiast **Frieze**
