Gendered Lives Geoffrey

Wood, Inman, 1996 **Gendered Lives** Wood, 2014 **Gendered Lives + Mindtap Speech, 1 Term 6 Months Access Card**, **The Routledge Handbook of Gender and Communication** Marnel Niles Goins, Joan Faber McAlister, Bryant Keith Alexander, 2020-11-29 This volume provides an extensive overview of current research on the complex relationships between gender and communication. Featuring a broad variety of chapters written by leading and upcoming scholars, this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles, representations, and resources in communication studies. Established research and new perspectives address vital themes in this comprehensive text, including the shifting politics of gender, ethical and technological trends in gendered media, and gender in daily life. Comprising 39 chapters by a team of international contributors, the Handbook is divided into six thematic sections: Gendered lives and identities; Visualizing gender; The politics of gender; Gendered contexts and strategies; Gendered violence and communication; Gender advocacy in action. These sections examine central issues, debates, and problems, including the ethics and politics of gender as identity impacts of media and technology, legal and legislative battlegrounds for gender inequality, and LGBTQ human rights. Changing institutional contexts and recent research on gender violence and communication. The final section links academic research on gender and communication to activism and advocacy beyond the academy. The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies. Its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource. **Gender Communication Theories and Analyses** Charlotte Krolokke, Anne Scott Sorensen, 2006 Contemporary Gender Communication Theories and Analyses surveys the field of gender and communication with a particular focus on gender and communication theories and methods. How have theories about gender and communication evolved and been influenced by first, second, and third wave feminisms? And similarly, how have feminist communication scholars been inspired by existing methods and aspired to generate their own? The goal of this text is to help readers develop analytic focus and knowledge about their underlying assumptions that gender communication scholars use in their work. The features and benefits are: it applies theoretical and methodological lenses to contemporary cases, allowing readers to see gender and communication theory work in action; it presents a comprehensive introduction to particular feminist theories and methodologies; it provides effective end-of-chapter cases and sample analyses that help readers see the kinds of questions and analyses that a particular theory and method bring into play; and also discusses contemporary research in gender and communication and expands on future directions for research. [Activities for Teaching Gender and Sexuality in the University Classroom](#) Michael Murphy, Elizabeth Ribarsky, 2013-04-26 Activities for Teaching Gender and Sexuality in the University Classroom is the first interdisciplinary collection of activities devoted entirely to teaching about gender and sexuality. It offers both new and seasoned instructors a range of exciting exercises that can be immediately adapted for their own classes at various levels and

across a range of disciplines Activities are self contained classroom tested and edited for ease of use and potential to remain current Each activity is thoroughly described with a comprehensive rationale that allows even those unfamiliar with the material concepts to quickly understand and access the material learning objectives required time and materials directions for facilitation debriefing questions cautionary advice and other applications For the reader s benefit each activity is briefly summarized in the table of contents and organized according to themes common to most social science classrooms Work Media Sexuality Body etc Many activities also include handouts that can be photocopied and used immediately in the classroom Activities for Teaching Gender and Sexuality in the University Classroom will be the standard desk reference on this topic for years to come and will be indispensable to those who regularly teach on these topics Discrimination and Diversity: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2017-05-17 The growing presence of discrimination and isolation has caused negative changes to human interactions With the ubiquity of these practices there is now an increasingly urgent need to close this divide Discrimination and Diversity Concepts Methodologies Tools and Applications provides a critical look at race gender and modern day discrimination and solutions to creating sustainable diversity across numerous contexts and fields Including innovative studies on anti discrimination measures gender discrimination and tolerance this multi volume book is an ideal source for professionals practitioners graduate students academics and researchers working in equality as well as managers and those in leadership roles

Gender and Media Representation Margaret Jjuuko,Solveig Omland,Carol Azungi Dralega,2025-08-14 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online Gender and Media Representation critically examines the intersection of media and gender across diverse African contexts **Gender and National Development** Nkem Fab-Ukozor,Onyebuchi Chima Alexander,2023-06-30 This book serves to shed a light on the position of women in media and how these institutions shape the women s contributions to national development The authors argue that women are unsung heroes driving the growth of nations Nevertheless their stories are seldom told they are often stereotyped and marginalized within society This form of discrimination serves to take away the voices of women in all social stratas especially in the developing nations of Africa It is little wonder that there is gender inequality gender bias and gender injustice in society This book highlights literature which may be used to actualize gender equality and social justice for women By creating a discussion around gender society will begin to understand the value and importance of women in engineering development Women are vital to social change *Telling Political Lives* Brenda DeVore Marshall,Molly A. Mayhead,2008-06-24 This book investigates the autobiographical writings of Barbara Jordan Patricia Schroeder Geraldine Ferraro Elizabeth Dole Wilma Mankiller Hillary Rodham Clinton Madeleine Albright and Christine Todd Whitman These eight women represent the diversity that permeates the cultural backgrounds life adventures and ideologies women bring to the political table From differences in race class and geographic location to variations in personal and family experiences

religious beliefs and political ideology these women illustrate many of the divergent standpoints from which women craft their lives in the United States Each essay focuses on the autobiographical text as political discourse and therefore as an appropriate site for the rhetorical construction of a personal and civic self situated within local and national political communities The collection examines issues such as the intersection between the politicization of the private and the personalization of the public evident in the women s narratives the description of U S politics the women provide in their writings the ways in which the women s personal stories craft arguments about their political ideologies the strategies these women leaders employ in navigating the gendered double binds of politics and the manner in which the women s discourse serves to encourage instruct and empower future women leaders The analyses embody and explicate the political and rhetorical strategies these leaders employ in their efforts to act on their convictions highlight the need for and reality of women s involvement in all levels of politics and serve as an impetus and inspiration for scholars and activists alike **A**
