The Bear Woman Karolina Ramqvist, 2022-02-08 Feminist autofiction from one of Sweden's blazing talents, Ramqvist is a serious contender for the Swedish literary limelight. Shelf Awareness: Blending autofiction and essay, *The Bear Woman* is a journey of feminism and literary detective work spanning centuries and continents. In the 1540s, a young French noblewoman, Marguerite de la Rocque, was abandoned on an island in the Gulf of Saint Lawrence with her maidservant and her lover. In present-day Stockholm, an author and mother becomes captivated by the image of Marguerite sheltered in a dark cave after her companions have died. This image soon becomes an obsession. She must find out the real story of the woman she calls the Bear Woman. But so much in this history is written so as to gloss over male violence. And the maps and other sources she consults are at times undecipherable. Karolina Ramqvist explores what it means to write history and to live it. Karolina Ramqvist writes with frosty precision the kind of literature that is unforgettable. Her portraits of women hit deep into bone and marrow. Dorte Nors, author of *A Line in the World*, Ramqvist's acute rendering of embodied sensual experience combined with her evocation of her double character's increasingly desperate circumstances create a story of high tension, startling insights, and lasting resonance.
