Teaching History with Film Alan S. Marcus, Scott Alan Metzger, Richard J. Paxton, Jeremy D. Stoddard, 2018-07-04 Teaching History with Film provides a fresh engaging and clear overview of teaching with film to effectively enhance social studies instruction Using cases of experienced teachers to illustrate accomplished history teaching through movies this text provides pre and in service teachers with ideas for implementing film based lessons in their own classrooms and offers a deeper understanding of the thorny issues involved in using film to teach history The second edition is completely revised and updated including two entirely new case studies a new chapter focusing on using international film and incorporating a more global view in the classroom and additional material on using film to tackle difficult and controversial issues as well as updates to all of the cases Each section of the book focuses on how teachers can effectively support the development of students historical film literacy through topics such as using film to develop interpretive skills to explore controversial issues and to develop historical empathy By developing the skills students need to think critically about the past or what they think they know about history the lessons in this book illustrate how to harness the pedagogical power of film to provide the tools necessary for rigorous inquiry and democratic citizenship Special features include Reflection on the Case following each chapter analyzing and discussing the strengths and limitations of the teacher s approach as well as providing strategies for using and choosing films specific to the educational outcome Sample unit outlines descriptions of class texts and films worksheets essay questions viewer guides and exercises for the classroom throughout Discussion of the practical considerations facing classroom teachers including juggling time restraints issues of parental permission and meeting standards

Movies and Moral Dilemma Discussions Stewart Waters, William B. Russell, 2020-07-01 Movies and Moral Dilemma Discussions A Practical Guide to Cinema Based Character Development explores the values attitudes and beliefs depicted on film Since the beginning of the film industry movie makers have

depicted morals and values on the silver screen Teachers will find the book to be a valuable guide for infusing character education and film into the classroom The book includes an overview of character education a discussion of film pedagogy and explores utilizing film for educational purposes **Teaching Religion and Film** Gregory J Watkins,2008-08-22 In a culture increasingly focused on visual media students have learned not only to embrace multimedia presentations in the classroom but to expect them Such expectations are perhaps more prevalent in a field as dynamic and cross disciplinary as religious studies but the practice nevertheless poses some difficult educational issues the use of movies in academic coursework has far outpaced the scholarship on teaching religion and film What does it mean to utilize film in religious studies and what are the best ways to do it In *Teaching Religion and Film* an interdisciplinary team of scholars thinks about the theoretical and pedagogical concerns involved with the intersection of film and religion in the classroom They examine the use of film to teach specific religious traditions religious theories and perspectives on fundamental human values Some instructors already teach some version of a film and religion course and many have integrated film as an ancillary to achieving central course goals This collection of essays helps them understand the field better and draws the sharp distinction between merely watching movies in the classroom and comprehending film in an informed and critical way

Global Education Christiane Lütge,2015 Global education has become a focus of many teachers and teacher educators Its impact on foreign language teaching is constantly growing e g via current discourses in literary and cultural studies as well as through environmental education or Content and Language Integrated Learning Global issues such as peace human rights globalization sustainability and the environment have entered the school curricula worldwide This book discusses the challenges of global education through English Language Teaching Series Foreign Language Teaching in a Global Perspective Fremdsprachendidaktik in Globaler Perspektive Vol 4 Subject Education Language **Writing in Film Studies, from Professional Practice to Practical Pedagogy** Bryan Mead,2024-01-09 A common refrain heard from instructors in offices across the world is that students have a hard time producing quality written discourse This is no different in the world of film studies where many undergraduate students struggle to cogently discuss the films they watch in class How can film instructors help students become better writers This book answers this question by first uncovering the disciplinary expectations we have for students and then offering strategies to explicitly teach those expectations in the classroom This book examines and identifies the disciplinary conventions of professional film studies discourse along with the expectations we have for student writing in undergraduate film courses What becomes clear from this analysis is that the pedagogical expectations we have for students are aligned with and shaped by professional writing in the discipline It helps to uncover the argument types instructors take for granted and helps those teaching undergraduate students not only to know what those expectations are but also how to use that knowledge to foster better student writing *Film Studies* Glyn Davis,Kay Dickinson,Lisa Patti,Amy Villarejo,2015-02-20 *Film Studies A Global Introduction* reroutes film studies from its

Euro American focus and canon in order to introduce students to a medium that has always been global but has become differently and insistently so in the digital age Glyn Davis Kay Dickinson Lisa Patti and Amy Villarejo s approach encourages readers to think about film holistically by looking beyond the textual analysis of key films In contrast it engages with other vital areas such as financing labour marketing distribution exhibition preservation and politics reflecting contemporary aspects of cinema production and consumption worldwide Key features of the book include clear definitions of the key terms at the foundation of film studies coverage of the work of key thinkers explained in their social and historical context a broad range of relevant case studies that reflect the book s approach to global cinema from Italian white telephone films to Mexican wrestling films innovative and flexible exercises to help readers enhance their understanding of the histories theories and examples introduced in each chapter an extensive Interlude introducing readers to formal analysis through the careful explication and application of key terms a detailed discussion of strategies for writing about cinema *Films Studies A Global Introduction* will appeal to students studying film today and aspiring to work in the industry as well as those eager to understand the world of images and screens in which we all live *Teaching Politics Beyond the Book* Robert W. Glover, Daniel Tagliarina, 2012-11-22 To teach political issues such as political struggle justice interstate conflict etc educators rely mostly on textbooks and lectures However many other forms of narrative exist that can elevate our understanding of such issues This innovative work seeks new ways to foster learning beyond the textbook and lecture model by using creative and new media including graphic novels animated films hip hop music Twitter and more Discussing the opportunities these media offer to teach and engage students about politics the work presents concrete ways on how to use them along with teaching and assessment strategies all tested in the classroom The contributors are dedicated educators from various types of institutions whose essays span a variety of political topics and examine how non traditional texts can promote critical thinking and intellectual growth among students in colleges and universities The first of its kind to discuss a wide range of alternative texts and media the book will be a valuable resource to anyone seeking to develop innovative curricula and engage their students in the study of politics ***Teaching Social Studies*** S.
