Hotel Front Office ,1982 Creating a Training Manual for a Midwestern Boutique Hotel Amy E.

Romanelli,2016 The purpose of this research project was to create a training manual for the front office operations of an independent boutique style hotel in a campus town in the Midwest Researchers met with the hotel s management team to review the current hotel policies and training material Training manuals serve the important purpose of providing a consistent way to communicate instructions to employees about how to perform essential functions of their jobs A review of professional hospitality and business articles on training and other resources revealed that experts perceived a strong correlation between training and many other factors in benefiting employee training This study found employee training offered significant contributions to any organization in enhancing the abilities of their employees Existing research has shown that hotel managers are reluctant to invest in proper training programs for their employees due to tight budgets and high turnover *Professional Waiter & Waitress Training Manual with 101 SOP* Hotelier Tanji,2013-10-05 Declares 101
