4th Grade

*"Are we going to play
BANG! again today?"*

As a teacher, these words are music to our ears. They tell us the review activity we have selected has captured the attention and motivation of our students. BANG! is just one of the entertaining, motivational, skills-driven learning activities you can find at *Common Core Is a Case!* These classroom tested games of skill and chance are "upcycled" from empty snack or coffee cans and teach a variety of English Language Arts and mathematics skills for grades K-5.
