Louis Jackson,2007-05-01 How Far Does Love Go Joseph Sanpietro,2009-09-08 You have heard that when someone wants to break up they say the grass is greener on the other side meaning it must be better But I say the grass might be greener on the other side Maybe even in your mind it will be better But grass is only grass Some are greener Some has the color of even yellow in it And some looks like it is even blue But just remember this to all of you out there who think it will be better no matter what the color of the grass it is still grass and will always taste like grass As I looked back on my last marriage I tried to do all I could to get it to work But when you know you did all the right things for your mate and your children and all they can think of are themselves well you know they are not going to do the right thing You know it is time just to let them go and do the best you can to move on If you hold on to something bad as I tried to do it will hurt you and the ones you love My children hate their mom now and I can't stand thinking of all the wrong she did to all of us But I will not let her turn us into a mold that will cover us in hate My children are happy with me and for now that's all they need No matter what I have gone through in my marriages a lot has been taken from me but one thing they could not take is the joy I have kept in my heart for Jesus *Fortune Fools* Emily Blokzyl,2019-12-20 From the tender young age of two Christopher's focus in life has always centered around pirates His fascination far transcends a basic interest however and there is something very familiar and comfortable about pirate lore that seems to speak to something deep inside Unfortunately that's also where the nightmares come from When Christopher meets Travis his polar opposite in every way he discovers that his draw toward pirates intensifies as do his nightmares As he moves closer to a familiar destination Christopher begins to wonder whether his nightmares are actually fiction after all and if his draw to pirates has a far deeper foundation *Road and Track* ,1997-05 Ski ,1984-11 **The Long Way Home** Odell Richardson Jr.,2009-11 The Long Way Home The Testimony is a first of its kind from the inner city streets of Baltimore Maryland This narrative non fiction story is NOT a glorification of the despair that plagues many urban districts throughout our country but it is an informative intense detailed urban centerpiece that goes against conventional wisdom of what society may believe about the inner city and many of its occupants This story bridges a gap many believed could not be It's a unique approach to the harsh realities of the streets and to life as a whole It's a story about change decisions and consequences This is one man's story It's an urban story about God This is certainly not a street tale lacking depth one without significant meaning or positive goals This story is about family trials perseverance love God life and its purpose This read will erase any doubt and convince all that anything is possible for anyone The author assures us all that this is a story told with two main goals in mind to Glorify God and to strive for a good future while loving every human being along the way **Badlands** Micah S.
