La plus jolie fille de France Félix Fourdrain, 1924 **Encyclopedia of French Film Directors** Philippe Rège, 2009-12-11 Cinema has been long associated with France dating back to 1895 when Louis and Auguste Lumi_re screened their works the first public viewing of films anywhere Early silent pioneers Georges Méliès Alice Guy Blaché and others followed in the footsteps of the Lumi_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond In Encyclopedia of French Film Directors Philippe Rège identifies every French director who has made at least one feature film since 1895 From undisputed masters to obscure one timers nearly 3 000 directors are cited here including at least 200 filmmakers not mentioned in similar books published in France Each director s entry contains a brief biographical summary including dates and places of birth and death information on the individual s education and professional training and other pertinent details such as real names when the filmmaker uses a pseudonym The entries also provide complete filmographies including credits for feature films shorts documentaries and television work Some of the most important names in the history of film can be found in this encyclopedia from masters of the Golden Age_Jean Renoir and René Clair to French New Wave artists such as François Truffaut and Jean Luc Godard **The Windsor Beauties** Lewis Melville, 2005-01-01 From the Preface to The Windsor Beauties The Duchess of York wished to have the portraits of the most beautiful women at Court Anthony Hamilton wrote in the Memoirs of Count Grammont Lely painted them and employed all his art in the execution He could not have had more alluring sitters Every portrait is a masterpiece The original set of Beauties painted by Lely were as we find from James II s catalogue eleven in number their names being Barbara Duchess of Cleveland nee Villiers Frances Duchess of Richmond and Lennox nee Stuart Mrs Jane Myddleton nee Needham Elizabeth Countess of Northumberland nee Wriothesley Elizabeth Countess of Falmouth nee Bagot Elizabeth Lady Denham nee Brooke Frances Lady Whitmore nee Brooke Henrietta Countess of Rochester nee Boyle Elizabeth Countess de Grammont nee Hamilton and Madame d Orleans It will be seen that in this list of Beauties Anne Hyde Duchess of York does not figure but

since she was responsible for the collection it would be peculiarly ungracious to omit her from a volume that treats of it Also she deserves inclusion for her supreme courage in selecting the sitters for what must the ladies who were not chosen have said and thought of her Nor in the series are Nell Gwyn Louise de Keroualle and the Duchess Mazarin but no account of the social life of the Court of Charles II can possibly omit mention of them and therefore something has been said about each of these ladies The new Revised Edition restores Melville s masterpiece of the intricate relationships and day by day account of court life in the reign of Charles II of England This edition also adds a new glossary bibliography and extended footnotes for the lay history reader Also included are first ever translations of French language poems letters and epitaphs completed by Coby Fletcher
