### INTRODUCTION

When ordering service parts, specify the correct part number, full description, quantity required, the serial number and serial number. For your safety and continued proper operation, use only genuine GEHL service parts.

The model and serial number for this unit are on a tag located on a post on the front of the cab.

"Right" and "Left" are determined from a position sitting on the operator's seat and facing forward.

GEHL Company reserves the right to make changes or improvements to the design or construction of any part of the unit without notifying the distributor or dealer such changes as are previously indicated herein.

Refer to the illustrations later located on this page for special part descriptions. Installed working loads are also provided over the back of this manual. Metric torque values shown in the illustrations are in Newton-meters, and are converted to their pounds ft. equivalent by 0.738.

Specific reference numbers, indicating a complete assembly, are listed in some illustrations. A working tag, printed by some distributors, indicates a unit has loads, a tag, etc.) In the exploded view parts list, additional information may follow the Reference Number.

Serial number bands are indicated in letters.

- (01 000 and below) - indicates serial number up to and including 000
- (01 000 - 2000) - indicates serial numbers between 000 and 2000
- (01 000 and up) - indicates serial number including 000 and after

Serial number exceptions and addenda are indicated in letters.
