

Gecko in-car FM user guide

Thank you for purchasing the Gecko in-car FM.

The Gecko in-car FM is an all in one FM transmitter for listening to your favourite stations through any FM radio. It features an USB port for charging any standard USB chargeable device with your own charging cable.

How do I connect the Gecko in-car FM?

Insert the 3.5mm audio connector into the audio plug on your iPhone, Smartphone, iPad or any MP3 device. Plug the car charger into the 12V DC car socket in the vehicle engine. The in-car FM will now be powered and ready to use.

How do I play music through my FM channel?

First, set a channel music from the frequency on your radio and use it in your radio memory. Turn the up and down frequency tuning buttons on the device left to tune to the same channel frequency. Then it can be a new melody for you. Please stop on your device and the music should now be playing smoothly through your car radio.

How do I connect/charge the USB port?

To ensure the clearest sound, please turn the volume on your device turned up completely to its maximum volume. Then you can adjust the volume on your car stereo controls. If you are using an Apple device, your car stereo may be having the difficulty (because of difficulty to USB).

How do I charge with the USB port?

Simply connect the car charger to a power source and insert the USB end of your charging cable into the USB port of the charger. Then plug the other end of your cable into your device for recharging. The car charger any standard USB to device by using the USB charging cable that comes with your device.

How do I know when my iPhone, Smartphone or other device is charged?

There are warnings between different iPhones, Smartphones and other device models, please check your product user manual for the information.

Warnings

- Please use caution and care when handling any device with electrical power.
- Please refer to your country's governing electrical body for the latest information on handling products with electrical power.

Basic Maintenance for better service life (see the user manual)

- Always leave wires around the car charger.
- Never leave a connector into a port. If the connector and port do not fit with reasonable ease, they may not match each other.
- Make sure that the connector matches the port and that you have positioned the connector correctly in relation to the port before plugging them together.
- To reduce the chance of shock or injury, do not use your car charger in or near water or wet locations.
- When connecting or disconnecting your car charger, always hold the port by its sides, keep fingers away from the metal parts of the plug.
- Before connecting anything to the charger, make sure there are no foreign objects inside the car charger connecting or disconnecting.
- The car charger is a high voltage component and should not be disassembled by any means. If the car charger needs service, please refer to your place of purchase.
- If you notice the car charger appears to be in any way damaged, cracked or broken, please do not use the car charger and refer to your place of purchase.

WARRANTY INFORMATION - FOR AUSTRALIAN CONSUMERS ONLY

Predecessor Distribution provides its customers products with a 1 Year Fault to Fault warranty. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The warranty offered is in addition to other rights and remedies offered under consumer law. The conditions contained in this warranty apply to purchases made within Australia only. Purchases made outside of Australia are covered by the warranty procedures and policies that comply with each respective place of purchase.

Conditions of warranty:

- The consumer must retain proof of purchase for the warranty period.
- The warranty period is valid for 1 year from the original purchase date.
- The warranty applies only to defects in material or workmanship that arise during normal use of the product.
- The warranty is a "fault-to-fault" warranty meaning the consumer is responsible for the costs associated with returning the product to their place of purchase or to Predecessor Distribution.
- The consumer must return the goods, original packaging (where feasible) and proof of purchase to make a warranty claim.
- If a replacement product is supplied the warranty period applies to the balance of the warranty period from the original purchase date.

The warranty does not cover:

- Products that have occurred as a result of accident, abuse or mis treatment.
- Goods that are damaged as a result of other third party products.
- Any misrepresentations given that are not covered by the warranty.

Warranty claim procedure:

- The consumer must return the goods to get the replacement stated in "conditions of warranty" within 14 days.
- If the consumer is unable to return the goods to the place of purchase they can send the goods with the required packaging and documentation, along with their contact details including address, phone number and e-mail to:
